Please note that Greenshaw High School and Sutton Grammar School are running a joint eligibility test on **Saturday 6 October 2012**. This is an initial test for selective school eligibility and the result will enable parents to make informed decisions prior to completing their Common Application Form. If you wish your child to be considered for a selective place at Greenshaw High School or a place at Sutton Grammar School you will need to register for this test at either of the schools' websites namely www.greenshaw.co.uk or www.suttongrammar.sutton.sch.uk.

Those boys applying to Sutton Grammar School on the Common Application Form who score highly enough on the 6 October will then be invited to attend a second stage of testing on **Saturday 17 November 2012**. The combined results of both stages will be used to finalise which boys are deemed eligible and to determine the rank order from which places will be offered for entry in September 2013.

For those boys and girls applying to Greenshaw High School the test on 6 October is the only test used to determine the rank order for selective places from those who apply on the Common Application Form.

Students wishing to sit the selective test for Greenshaw/Sutton Grammar AND attend the testing day for Glenthorne will note that this day clashes. Arrangements will be made for any students wishing to attend both tests.
