ADOPTION STATEMENT FOR THE LONDON BOROUGH OF SUTTON'S URBAN DESIGN SUPPLEMENTARY PLANNING DOCUMENT

In accordance with Regulation 19 of the Town and Country Planning (Local Development) (England) Regulations 2004, notice is given that the London Borough of Sutton adopted its Urban Design Supplementary Planning Document (SPD) for the purposes of development control on 10 September 2007. The Council formally ratified this decision on 29 January 2008. The SPD replaces several Supplementary Planning Guidance (SPG) documents adopted in 1995, and forms part of the Local Development Framework.

The Urban Design SPD provides guidance for the design of buildings and the spaces between them, including squares and streets. It sets out design principles for all development and detailed design advice for particular areas or issues such as intensification; tall buildings; landmark features, contemporary design; movement and parking; shopfronts; and healthy neighbourhoods and health care facilities.

Any person aggrieved by the Urban Design SPD may apply to the High Court for permission to apply for judicial review of the decision to adopt the SPD. Any such application for leave must be made promptly and in any event not later than 3 months after the date of this adoption statement.

The adopted SPD, this adoption statement, and the consultation statement can be viewed at the Council's website at www.sutton.gov.uk and at all public libraries within the London Borough of Sutton as well as Council Offices at the Civic Centre, Sutton, and the Environment and Leisure Offices at Denmark Road, Carshalton as listed below;
