Dear Resident,

Proposed parking changes for Cookes Lane

Following our informal consultation in October 2022 we are now moving to a final consultation about proposed parking changes to your street.

Proposals for Cookes Lane

In an earlier phase of the Parking Strategy changes were made to the restrictions on the road which unintentionally led to occasional access issues. The road layout has now been amended and a traffic order needs to be made to make the changes permanent. **(see Map on the back of this letter).**

Have your say

This is your final chance to let us know if you agree or disagree with the proposals, or indeed have another view. You can see the proposed changes and provide feedback online: www.sutton.gov.uk/-/parking-review.

This final stage of consultation will end on **June 22, 2023**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA (quoting MapSutt 1136).

Yours faithfully,

Kevin Williams
