Dear Resident,

Proposed parking changes for Park Hill (No 74)

Following our informal consultation in September 2022 we are now moving to a final consultation about proposed parking changes to your street.

Proposals for Park Hill (No 74)

Following resident feedback we are proposing to reduce the proposals to a single yellow waiting restriction operating Monday-Friday 1pm-2pm outside No 74. The proposals are aimed to help with obstructive parking near vehicle crossovers (**see Map on the back of this letter**).

Have your say

This is your final chance to let us know if you agree or disagree with the proposals, or indeed have another view. You can see the proposed changes and provide feedback online: www.sutton.gov.uk/-/parking-review.

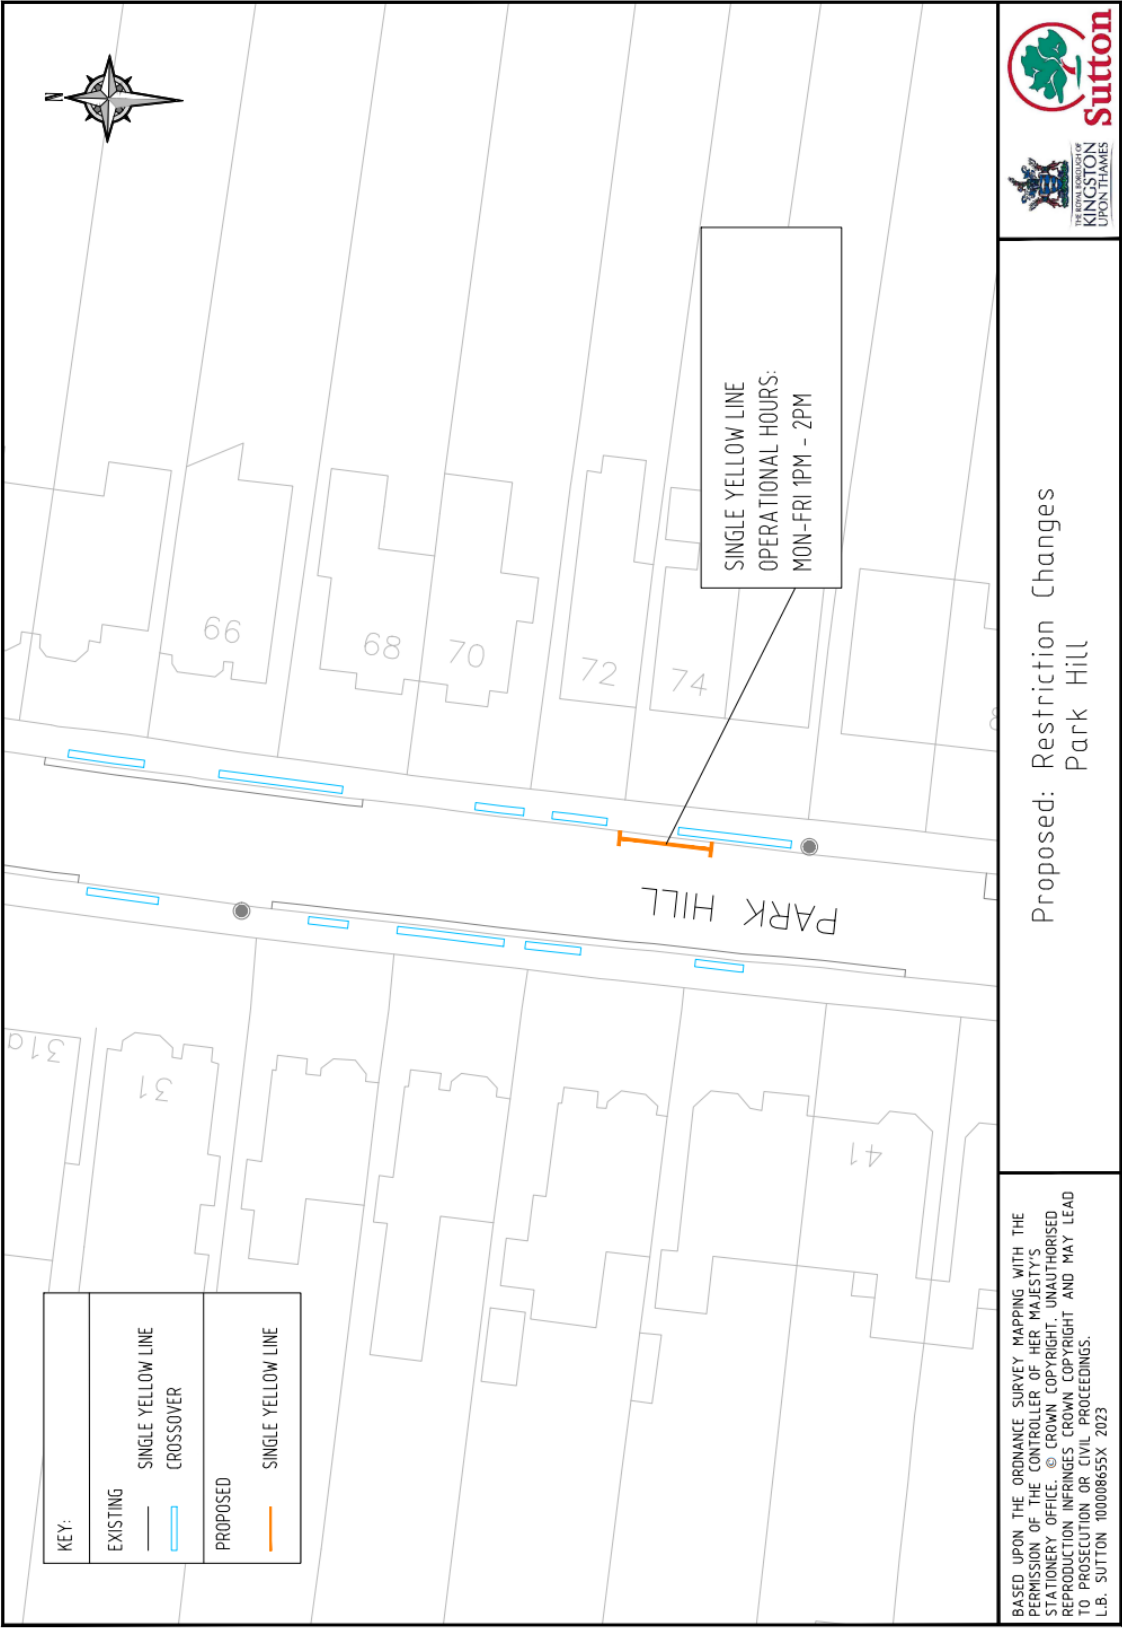

This final stage of consultation will end on **June 22, 2023**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA (quoting MapSutt 1136).

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
