Dear Resident,

Proposed parking changes for Mill Lane and Denmark Road

Following our informal consultation in October 2022 we are now moving to a final consultation about proposed parking changes to your street.

Proposals for Mill Lane and Denmark Road

- To assist with obstructive parking we are proposing double yellow lines (with no loading at any time) outside Nos 101 and 103 Denmark Road.
- To aid customer parking at local businesses we are proposing a time limited bay on Mill Lane (opposite Millpond Place) operating Monday to Friday 11am-1pm (maximum stay 30 minutes, no return within 2 hours). See Map on the back of this letter for more detail.

Have your say

This is your final chance to let us know if you agree or disagree with the proposals, or indeed have another view. You can see the proposed changes and provide feedback online: www.sutton.gov.uk/-/parking-review.

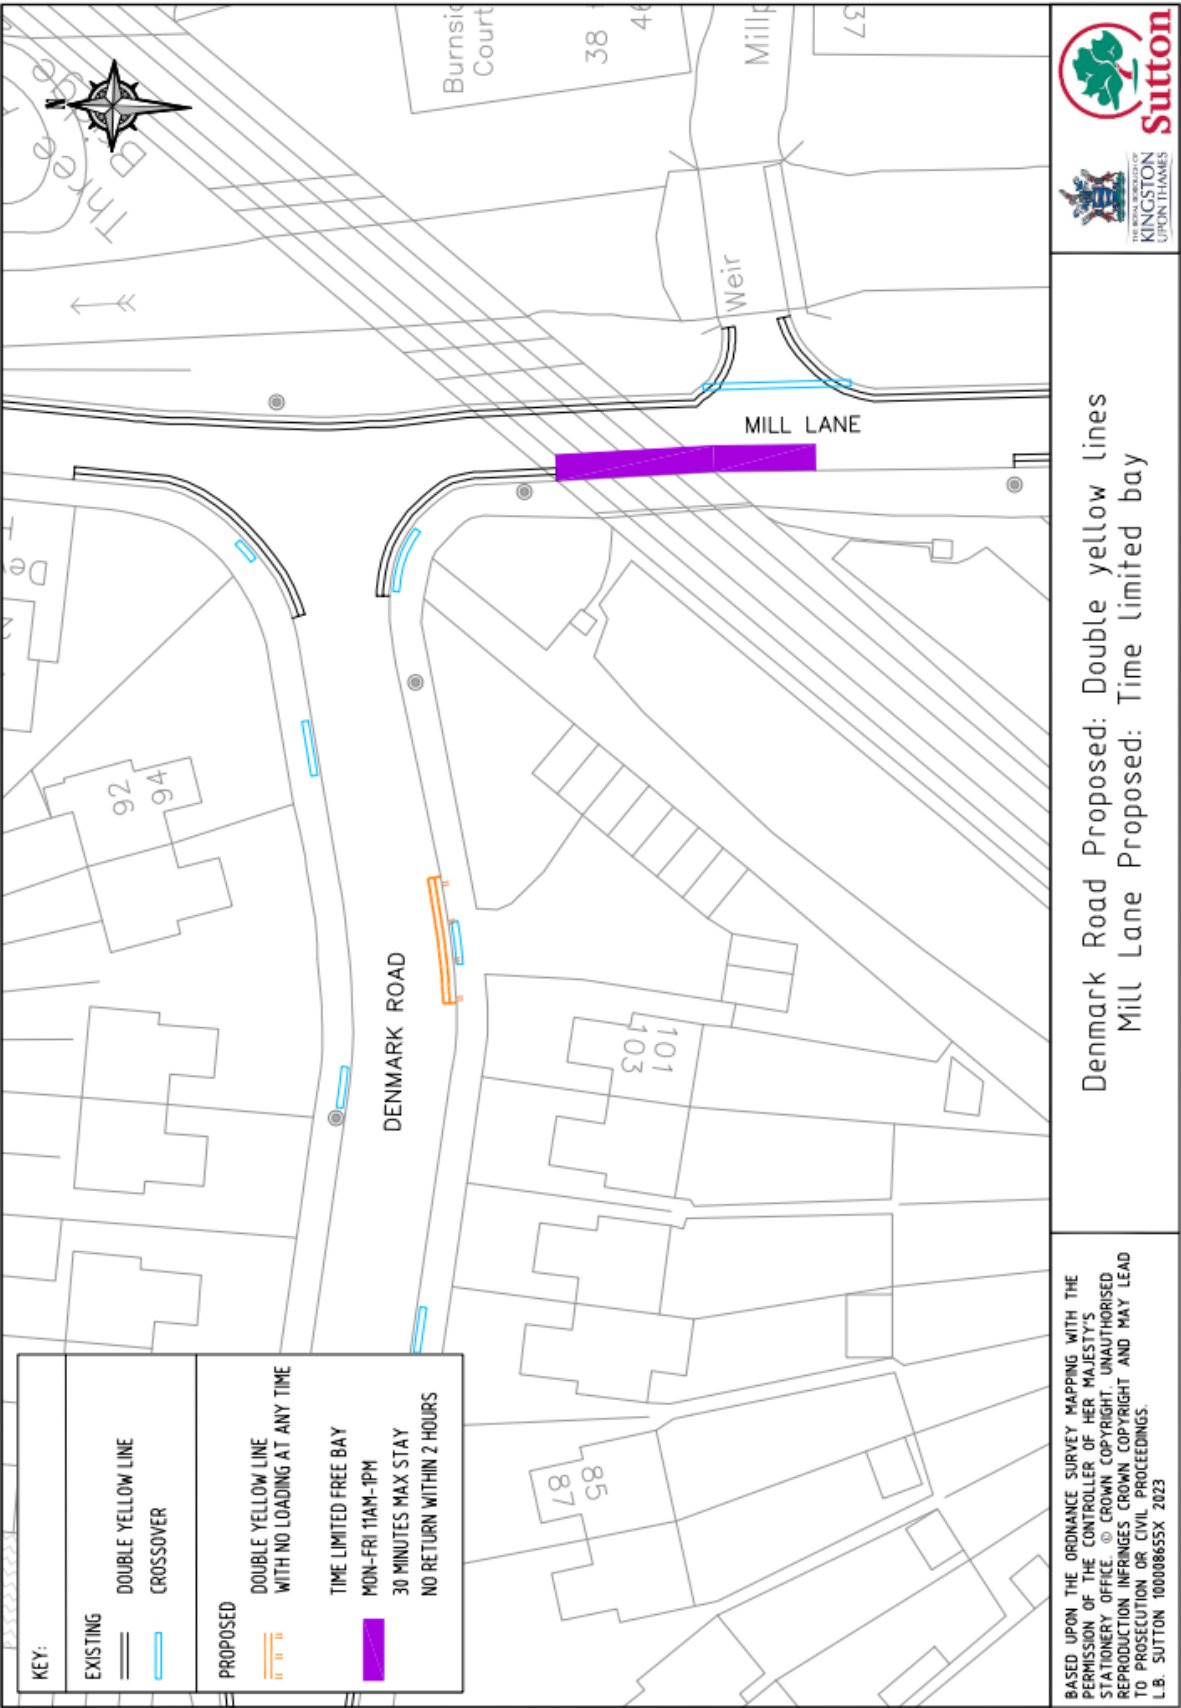

This final stage of consultation will end on **July 20, 2023**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA (quoting MapSutt 1139).

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
