Dear Resident,

Proposed parking changes for North Street

Following our informal consultation in October 2022 we are now moving to a final consultation about proposed parking changes to your street.

Proposals for North Street

To assist with obstructive parking we are proposing double yellow lines on the western side of North Street, between Mill Lane and Rochester Road (see Map on the back of this letter).

Have your say

This is your final chance to let us know if you agree or disagree with the proposals, or indeed have another view. You can see the proposed changes and provide feedback online: www.sutton.gov.uk/-/parking-review.

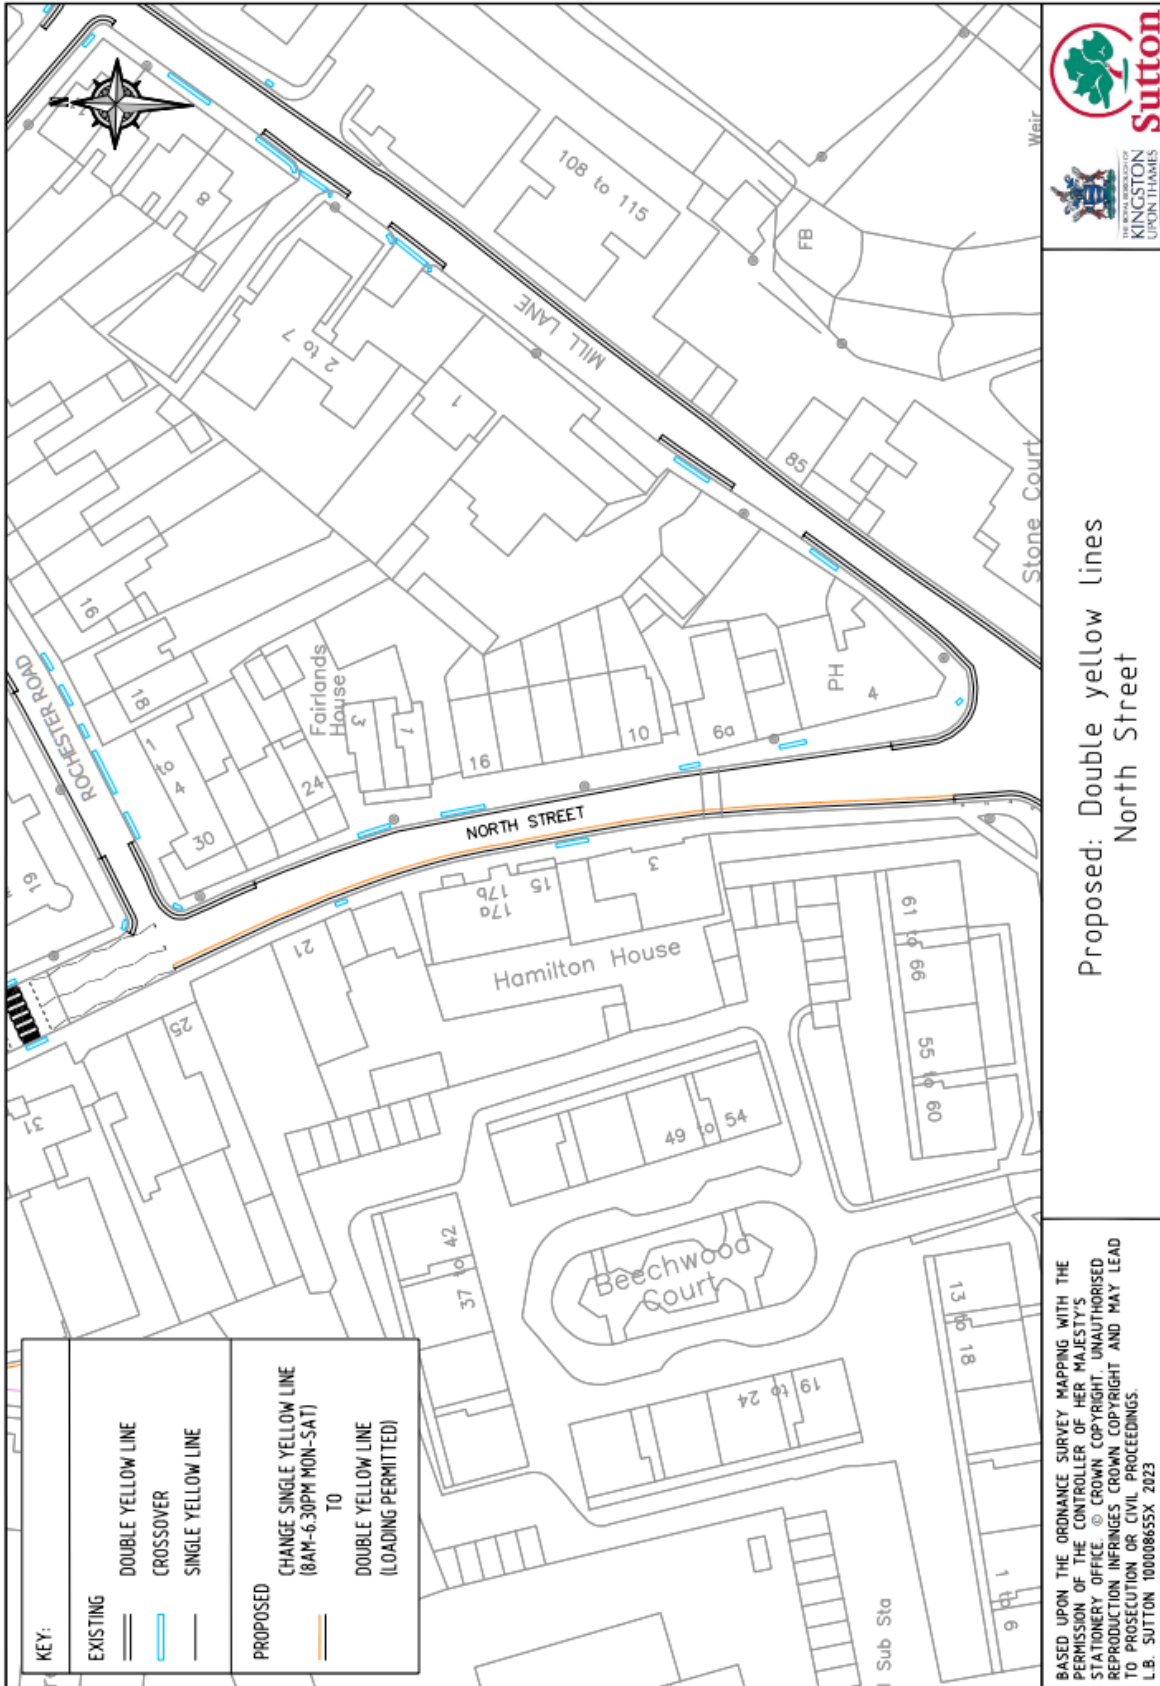

This final stage of consultation will end on **July 20, 2023**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA (quoting MapSutt 1139).

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
