Dear Resident,

Proposed parking changes for Waverley Avenue/Montrose Gardens

Following our informal consultation in June 2023 we are now moving to a final consultation about proposed parking changes for your street.

Proposal for Waverley Avenue/Montrose Gardens

Following requests from London Fire Brigade we are proposing to add double yellow lines from No 32 Waverley Ave to Angel Hill, due to access issues. Following feedback to our informal consultation we are also proposing extending double yellow lines on the corner of Montrose Gardens due to access issues (**see detailed map on the back of this letter**).

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online:

www.sutton.gov.uk/-/parking-review.

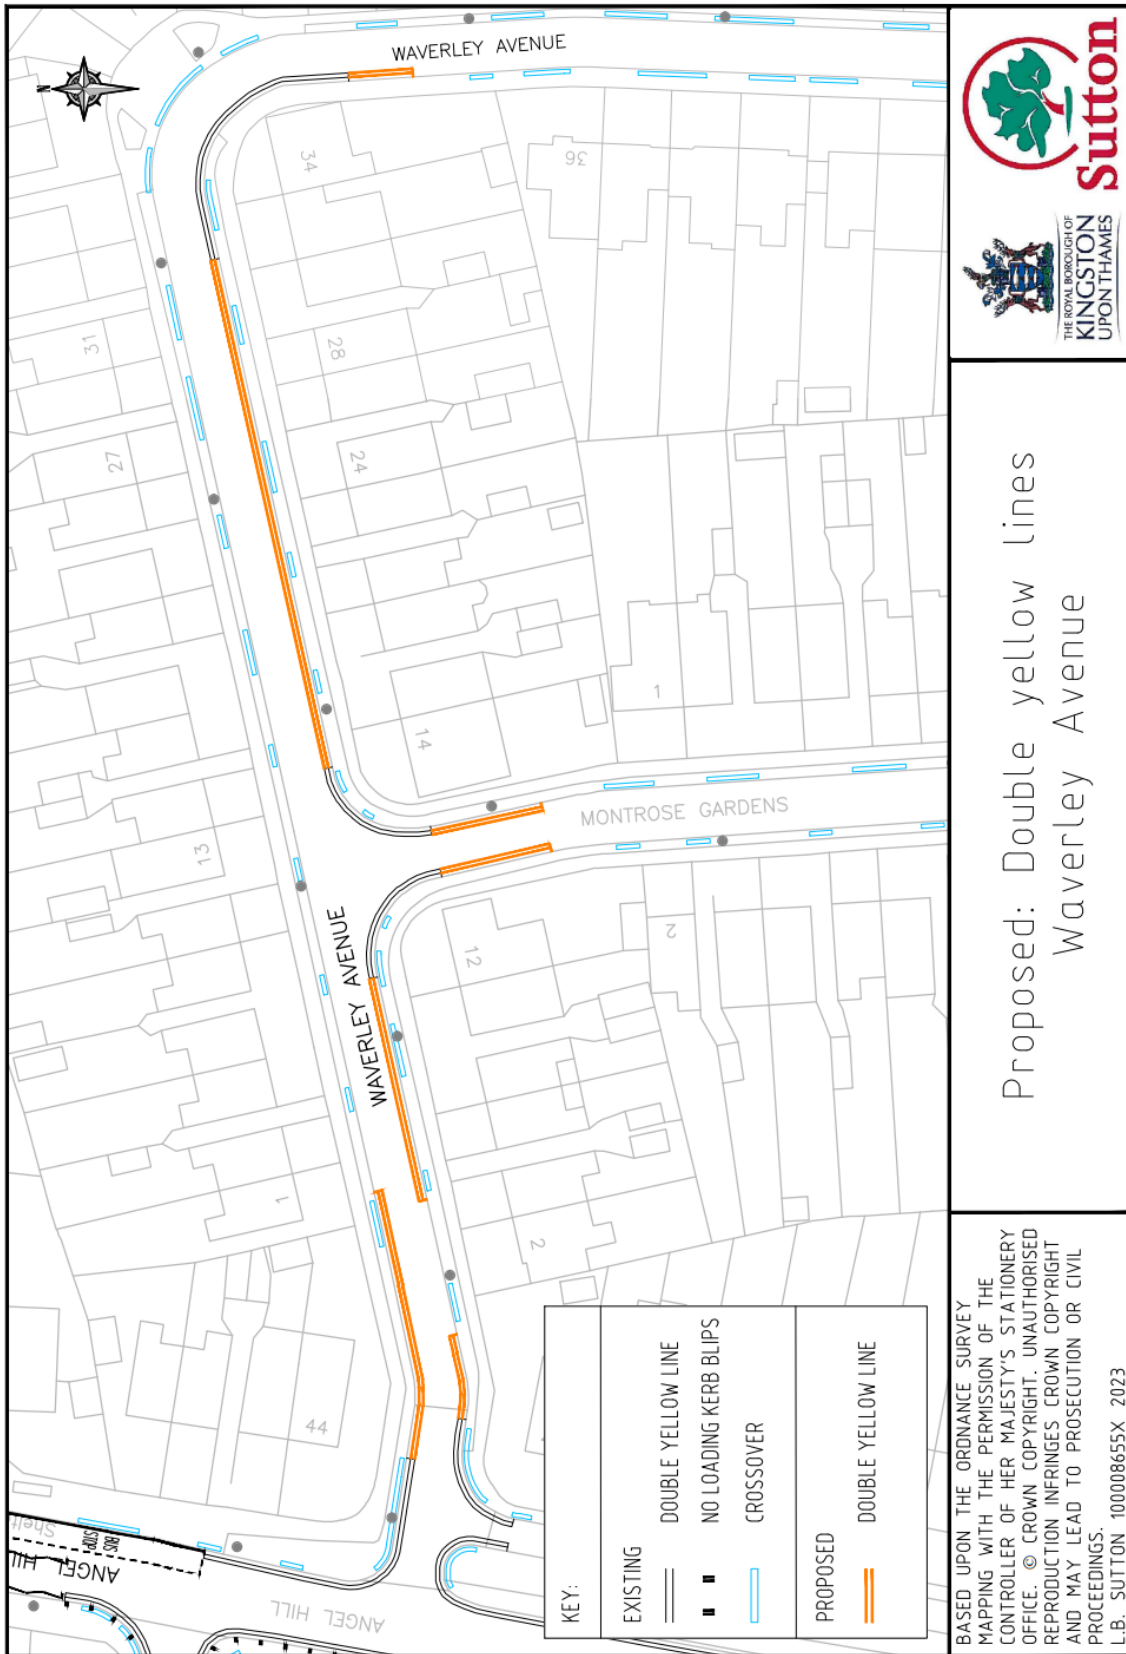

This final stage of consultation will end on **19 October 2023** (please note we have extended the consultation deadline by a week following an issue with delivery of this consultation letter to your entire street).

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
