Dear Resident,

Proposed parking changes for Sparrow Farm Road/Bradstock Road

We're writing to you as part of our ongoing review of parking in Sutton.

Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

Proposal for Sparrow Farm Road/Bradstock Road

Following local requests we are proposing to extend double yellow lines outside Nos 71-73 Sparrow Farm Road (near the junction with Bradstock Road) due to obstructive parking causing access and safety issues.

We are also proposing to extend the double yellow lines on Sparrow Farm Road near the junction with Woodstone Ave (to the dropped kerb outside No 74 Sparrow Farm Road) due to obstructive parking causing safety issues.

Have your say

This is your first chance to let us know if you agree or disagree with the proposals, have another view or have further feedback about parking. You can provide feedback online: www.sutton.gov.uk/-/parking-review.

This informal stage of consultation will end on **11 January 2024**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
