Dear Resident,

### **Proposed parking review for Worcester Park**

We're writing to you as part of our ongoing review of parking in Sutton.

The WP1 Longfellow Controlled Parking Zone (CPZ) was introduced in September 2021. As it has now been in place for an extended period, we are conducting a review on how it has been working **(see Map on the back of this letter)**.

### **Have your say**

We are asking residents within the current CPZ for their feedback, along with residents in neighbouring streets (outside of the CPZ boundary) who may have experienced parking displacement and may wish to be included in the parking zone.

You can provide feedback online: [sutton.gov.uk/-/parking-review](https://sutton.gov.uk/-/parking-review)

This informal stage of consultation will end on **15 February 2024**.

We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

**Kevin Williams**  
**Principal Engineer, Kingston & Sutton Shared Environment Services**

## WP1 controlled parking zone
