Dear Resident,

Proposed parking changes for Sutton South PPA

We're writing to you as part of our ongoing review of parking in Sutton.

The Sutton South Permit Parking Area (PPA) was introduced in November 2020 **(see Map on the back of this letter)**.

As the extended zone has now been in place for a considerable period, we are conducting a review on how it has been working.

Have your say

We are asking residents within the current permit zone for their feedback on how the parking scheme is working, including the hours and days of operation.

We are also asking for the views of residents in neighbouring streets (outside of the PPA boundary) who may have experienced parking displacement and may wish to be included in the permit area.

You can provide feedback online: sutton.gov.uk/-/parking-review

This informal stage of consultation will end on **14 March 2024**.

We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

You can provide feedback online: sutton.gov.uk/-/parking-review

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
