# Introduction

## Dear Parents and Carers,

This booklet aims to provide you with the information you need to apply for a primary school place in Sutton or any other local authority area for September 2024.

This booklet is only for parents and carers of children living in Sutton – if you do not live in Sutton you should apply to your home local authority.

Please refer to the copy of this booklet until you have received and accepted an offer of a primary school place for your child.

If your child attends a nursery attached to a primary school, you must make a separate application for Reception entry. In Sutton community schools no priority is given to children who are in an attached nursery.

If you have any questions regarding school admissions, please visit [www.sutton.gov.uk/admissions](http://www.sutton.gov.uk/admissions) or email [suttonadmissions@cognus.org.uk](mailto:suttonadmissions@cognus.org.uk)

**Sutton's School Admissions Team processes are run by Cognus Limited on behalf of the London Borough of Sutton.**

# Applying online

Parents of children living in the London Borough of Sutton can apply online for a primary place at [www.sutton.gov.uk/admissions](http://www.sutton.gov.uk/admissions) from 1 September 2023. Last year 98% of Sutton residents applied online.

**We recommend you [visit the website and apply online](#) because:**

- you will receive earlier notification of the result of your application
- no forms will get lost in the post
- you will receive an instant email confirmation of your completed application once you have submitted it
- it is quick and simple, and no paper is involved
- there are no postage costs
- it is a safe and secure password protected system
- you can amend your application right up to the closing date

The online application form is straightforward but if you have any doubts about the information you should enter please see [pages 6 - 11](#) of this brochure for details.

If you do not have access to the internet at home, you can make an online application for your child free of charge at the Sutton Civic Offices or at any Sutton library. Please contact your local library for information about internet access. Alternatively, a friend or family member or your child's current school may be able to help you to apply online. You could also try an internet café or apply at work (with permission).

You must have an email address in order to apply online. If you do not already have an email address, the online system will allow you to create one.

If you live in Sutton and wish to complete a paper application form, please email [suttonadmissions@cognus.org.uk](mailto:suttonadmissions@cognus.org.uk)

Once you have registered to apply online, please keep a note of your username and password below. You will be able to return to your application to make amendments until the closing date of 15 January 2024, and view the outcome on the evening of 16 April 2024

If you apply online, please **do not** also submit a paper form. Submitting more than one application could, at the very least, delay your application.

If you are printing this booklet, you can use the space below to note your own log in details:

June to July 2024	Admissions appeals.

## When do children start school in Sutton?

Sutton primary schools will offer full time education to children from the September before the fifth birthday. Parents can defer the date their child is admitted to school until later in the school year but not beyond the point at which they reach compulsory school age or, for children born between 1 April and 31 August, not beyond the beginning of the final term of the school year for which the offer was made.

Where parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

Parents wishing to apply for places outside the child's normal year group will have their application considered by each admissions authority they are applying to based on the circumstances of each case. Applicants should refer to the school's admissions arrangements.

## Visiting schools

Before you apply, we would usually recommend that you visit schools to understand transport routes and school facilities, and to hear from staff about the school achievements and plans for the future. Due to the current pandemic this may not be possible therefore please check school websites for information on their facilities and how to contact them. See a full list of primary schools and links to their websites on [pages 18-19](#).

# Completing your application

You should apply online via the Sutton website at [www.sutton.gov.uk/admissions](http://www.sutton.gov.uk/admissions)

This website will direct you through to the Pan-London eAdmissions system which is used by all local authorities in London and Surrey County Council. If you have any **technical problems registering or logging into** the eAdmissions system please email [support@eadmissions.org.uk](mailto:support@eadmissions.org.uk) or call 020 8255 5555. This number is for **technical problems only**.

If you apply online, your application will automatically be directed to the correct borough. This will be the borough where your child is permanently resident based on the address you provide on the application.

**You must not use a future address when making your school application. If you submit your application from an address that you do not live at, we reserve the right to cancel the application and you will be asked to reapply using your current address. You should also be aware that if this is close to the closing date it may jeopardise your chances of making an on time application to the correct Local Authority.**

You may only complete one application. If you apply online, please do not also complete a paper application form.

If you apply online, there are guidance notes to help you. The following notes may also be useful:

## Section 1 – Your child

We need your child's full legal name, date of birth and gender.

An application can only be made from a single address and only a single application made for each child.

The address used in an application must be that where an adult or adults with legal responsibility for the child live, as described below.

The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received and the residence is split equally by the closing date for applications, the home address will be determined to be the address where the child is registered with the doctor. However, all evidence will be taken into account. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week. In some cases, where distance is a relevant factor in admission decisions, a different address may be used if a family unit owns or has access to another property.

All school admission applications for school places are subject to address checks to ensure school places are allocated fairly and in accordance with published admission arrangements.

These checks may be made using council systems, agencies, fraud departments, other education settings, or other resources available to us. Applicants may also be asked to provide additional evidence to support their application.

It is for the home Local Authority to determine if, on the balance of probability, the address given on an application is a child's normal place of residence or is considered to be an address of convenience. Some examples of circumstances which may fall under this definition are as follows:

- using the address of a relative, friend, childminder or business
- using the address of a parent with whom the child spends the minority of the week
- use of a rented or second owned property address on a temporary basis which gains advantage in the admissions process whilst still continuing to own or rent an alternative property
- use of a local address whilst the child lives overseas

In making a decision, the following factors will be taken into account alongside any evidence seen during the address checking process:

- the preference schools and if they are oversubscribed
- if the address being used gains an advantage in the admissions process
- the distance of the properties to the preference schools
- the length of time the arrangement has been in place
- current education providers and services working with the family
- any state benefits in payment

If an address of convenience is found to have been used, the home Local Authority will determine the address to be used based on the evidence found in their investigations. Where this address or preference schools fall within another Local Authority, they may be consulted in the decision.

If a fraudulent address or address of convenience is found to have been used after the allocation of places, any offer made will also be withdrawn, and this may be the case even if the child has started the school.

Applicants living outside England may only submit an application if they have a linked address within the Local Authority area, and documentary evidence must be supplied to show they will return to the address prior to the September in the year of entry; this address must not be an address of convenience.

If parents/carers wish to discuss their circumstances prior to making their application, they should contact [suttonadmissions@cognus.org.uk](mailto:suttonadmissions@cognus.org.uk)

You are not required to provide evidence of your child's address when you apply, but we reserve the right to check council tax or other records for confirmation, or to contact you to ask you to provide further evidence or proof of address.

If you move address after completing your application, you must let us know at that time by emailing [suttonadmissions@cognus.org.uk](mailto:suttonadmissions@cognus.org.uk) to inform us and provide evidence of your new address. The address that we will use in the allocation process may vary depending on the school applied for and the date you moved. Any offer of a place based on where your child lives is conditional on your child being resident at this address at the closing date for applications or the date specified by the school.

If your child already has an **Education Health and Care Plan (EHCP)**, you do not need to follow this process as you will follow a different admissions route with your EHCP co-ordinator. If your child is undergoing an EHCP needs assessment, but it is not yet complete, please follow this process but attach a letter telling us that this is the case. We will then liaise with the **Special Educational Needs and Disabilities (SEND) Team** before the offers are made. Please do not delay making your application because you are waiting for the outcome of any needs assessment.

## Section 2 – Parent or carer’s details

We also need your name and address if it is different to the child’s address. **Your contact details are vital**; please ensure you include an up-to-date telephone number and email address.

The person applying on behalf of the child should be the person with ‘[parental responsibility](#)’ for the child. However, there may be occasions where this is not the case, and this should be indicated on the form.

We will check your address against council records and may request supporting evidence in the name that matches the one given on the application form. If you move house, you must notify the Cognus School Admissions Team immediately and provide proof of the new address. Email [suttonadmissions@cognus.org.uk](mailto:suttonadmissions@cognus.org.uk).

Parental responsibility is defined by the Children Act 1989 and amended by the Adoption and Children Act 2002. For children born prior to 1 January 2003, the child’s natural mother acquired parental responsibility automatically at birth. The child’s natural father only acquired parental responsibility if he was married to the mother at the time of birth or if they married subsequently. Other people can obtain parental responsibility by seeking a parental responsibility legal agreement, obtained with the consent of all persons with parental responsibility or by a court order, or when a child is placed with them for legal adoption.

Stepparents, grandparents and other close relatives do not have automatic parental responsibility and can only acquire it through a legal agreement or court order. If you are a distant relative or not related at all to the child, it is likely that you are a private foster parent. In law this means you must tell your local council you are caring for the child and also you must tell the child’s parents (or the person with parental responsibility) about the application for a school place and obtain their permission. You can find more information on parental responsibility at <https://www.gov.uk/parental-rights-responsibilities>.

If you are unsure about your status, you should submit your application with a covering letter to explain your situation.

## Section 3 – Children Looked After / Children in Public Care

You need to state whether or not the child is, or has previously been, in the care of a local authority. This is defined as:

- children who are registered as being in the care of a local authority in accordance with [Section 22 of the Children Act 1989\(a\)](#), e.g. fostered or living in a children’s home, at the time an application for a school is made; and

- children who have left care through adoption (in accordance with [Section 46 of the Adoption and Children Act 2002](#)), a residence order/child arrangement order (in accordance with [Section 8 of the Children Act 1989](#)) or special guardianship order (in accordance with [Section 14A of the Children Act 1989](#)).
- Children regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society

### **Required evidence for a Child Looked After**

If you are applying for a child who is **currently in the care** of a local authority, you must provide a written statement from the child's social worker.

This should include:

- Confirmation the child is currently looked after
- The name of the local authority the child has been placed in the care of
- Confirmation that the child is currently placed with a foster carer or in local authority accommodation and the address at which they are currently living.

### **Required evidence for a Child Previously Looked After**

If you are applying for a child who was previously in the care of a local authority, you will need to provide supporting evidence as outlined below according to the relevant circumstances

#### For adopted children:

An adoption order made under section 46 of the Adoption and Children Act 2002, including the schedule which confirms details of the date and place of birth, and the placement of the child.

#### For children subject to a special guardianship order:

A written statement from the local authority where the child was previously in care confirming the child was in local authority care **immediately before a special guardianship order** was made. You must also provide a copy of the special guardianship order itself.

#### For children subject to a child arrangements/residence order:

A written statement from the local authority where the child was previously in care confirming the child was in local authority care **immediately before** a child arrangements/residence order was made. You must also provide a copy of the child arrangements/residence order itself.

#### For children adopted from state care outside of England

As state care systems around the world vary greatly, some having more formal arrangements than others, the evidence provided by families may vary. Therefore, please submit any legal documents and correspondence that you have in English for consideration. Guidance on types of documentation can be found on the Department for Education website [Admissions priority for children adopted from state care outside of England \(publishing.service.gov.uk\)](#)

## Section 4 – Your primary school preferences

You may name up to **six** schools on the form. The schools do not have to be in Sutton, they can be in any borough, and we encourage families living close to borough boundaries to consider all local schools.

Limiting the number of schools you name will not improve your chance of securing a place at your first preference school and you should consider schools for which your child would have been eligible in previous years. The online application form will not allow you to name a school more than once – each application will only be considered once for each school.

Please think carefully about your **preference order**. If you receive an offer at a preference school, it may not be possible to offer a place at a lower preference school later if you change your mind.

Private (fee paying) schools are not part of the scheme and should not be included on your application.

If you believe your child is eligible for **sibling** priority at one of your preferred schools, you **must** include their details on your application. You should put the sibling details in the sibling section and **not in the comments box**

For most schools in Sutton that give priority for siblings, sibling is defined as brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, who is living as part of the same family unit at the same address, Monday to Friday. If your child will have a sibling at one of your preferred schools or attached junior school in September 2024, it is important that you include the sibling's details on the application form to ensure that, if applicable, sibling priority is given. **You should not name any child who is not a sibling, nor any child who attends a different school to the school named as a preference.**

**Please note: If you have an eligible sibling as described above and fail to include the sibling details in the correct section within the application, your application may be considered under a lower criterion.**

For Sutton Community schools, where a sibling is in Nursery or Year 6 at the time of application, sibling priority **will not** be given.

If you would like your application to be considered under a school's **medical or social criteria** where it has one, you should attach your supporting documents and tick the box to confirm this. Medical or social reasons will not be considered unless professionally supported in writing. The written evidence must either be attached to the online application or submitted separately by post or email. If you apply for a school that does not have a medical or social criteria or you do not tick the corresponding box on the application the information will not be shared with the school. For more details see [page 14](#)

A number of schools give priority to **children of staff**; you must tick the box to confirm this if eligible.

## Section 5 – Declaration and form submission

Please read the declaration carefully, check the box to confirm you accept it, and submit the application by pressing the submit button. **Please note that saving alone will not submit your application, you must press submit.**

Once you have submitted your application correctly you should receive a confirmation email containing a reference number that looks like this 319-2024-09-E-001234. This confirms that your application has been received. If you do not receive an email with a reference number, it means your application has not been submitted and you should log back into the eAdmissions system and submit your application (or you may need to adjust your email software to receive 'no reply' emails). **Please make sure that you check for receipt of the confirmation email.**

By submitting your application, you agree to the following declaration:

- I wish to apply for a place at each of the schools named in Section 4, and where I have applied for more than one school, I have listed my schools in my order of preference.
- I am the person with parental responsibility for the child named in this application, and we ordinarily reside at the address provided.
- I am not using a fraudulent address or an address of convenience and have read the definition of this on pages 6-7.
- The information I have given is true to the best of my knowledge and belief.
- Any false, deliberately misleading or withheld information may render this application invalid and could lead to the application and any associated school offer to be withdrawn.
- I have read the Privacy Notice <https://cognus.org.uk/privacy/> and understand how my information may be used.
- I will notify the Cognus School Admissions Team [suttonadmissions@cognus.org.uk](mailto:suttonadmissions@cognus.org.uk) of any changes to the details in this application as soon as they occur, **including any change of address, and understand that failure to do so may result in an offer being withdrawn.**
- I authorise the London Borough of Sutton and the Cognus School Admissions Team to make checks as they deem necessary, including enquiries of other record systems held by the Council.

## Supplementary Forms

Some schools require an additional supplementary form to be completed to allow them to assess certain elements of their admission criteria. Supplementary forms for Sutton schools are available by contacting each school directly, or via their websites.

The following table shows which schools have supplementary forms, who should complete one and by what date.

School	To be completed for	Closing date
<a href="#">All Saints' Benhilton C of E Primary</a>	Foundation places	15 January 2024
<a href="#">All Saints' Carshalton C of E Primary</a>	Foundation places	15 January 2024
<a href="#">Beddington Park Academy</a>	Early Years Pupil Premium (attending the schools nursery)	15 January 2024
<a href="#">St Cecilia's Catholic Primary</a>	All applicants	15 January 2024
<a href="#">St Dunstan's Cheam C of E Primary</a>	Foundation places; children of staff places; places for children attending the school's Nursery who are eligible for Pupil Premium	15 January 2024
<a href="#">The Federation of St Elphege's Catholic Infants</a>	All applicants	15 January 2024
<a href="#">St Mary's Catholic Infants</a>	All applicants	15 January 2024

If you complete a supplementary form for any of the above schools, you must also name it as one of your preferences in your application if you want to be considered for a place at the school. Completing a supplementary form alone is not a valid application, and you will not be considered for a place at the school unless it has also been named as a preference in your application.

If you are applying for any school outside of Sutton, you should contact either the school or the local authority in which it is situated to see if a supplementary form is necessary. Details of neighbouring Local Authorities and their schools are shown on [pages 37-39](#).

## Where do I send my completed application?

Wherever possible we recommend completing your application using the online system to avoid any potential postal problems. Online applicants will automatically receive a reference number to confirm that their application has been received, and we recommend this as the safest method for making applications. For more details see [page 4](#).

If you are unable to apply online and are completing a paper form, it can be emailed to [suttonadmissions@cognus.org.uk](mailto:suttonadmissions@cognus.org.uk) or posted to the School Admissions Team, Cognus Limited, Cantium House, Railway Approach, Wallington, SM6 0DZ. **Do not complete a paper application form if you have applied online.** If you post an application form, please obtain proof of postage as any forms that go missing in the postal system will be the responsibility of the applicant. If you send a paper form in a large envelope, please note that postage will be in excess of a single first-class stamp. If insufficient postage is paid, it may be delayed or undelivered and your application will be jeopardised.

However you apply, applications must be received by **15 January 2024**. No responsibility can be taken for forms lost in the post.

## **Guide to applying for a primary place**

### **Which schools should I apply for?**

**In previous years, applicants who have not received an offer of a preferred school have usually either only used a few of their 6 possible preferences or had not named local schools (either inside or outside the borough) for which they would have been eligible in previous years. It is better to name such schools on your original application than try to add them after the allocation.**

Before deciding which schools to apply for, gather as much information about the schools as possible using a variety of sources. We suggest that you:

- visit the schools (If this is possible and check school websites for school information and details of how to contact them)
- obtain school prospectuses
- read the descriptions of Sutton schools in this booklet

Please do not base your decisions solely on SATs results or what other people say about a school. We recommend that all families make up their own minds. Visit school open events and remember that different children thrive in different environments, not just those that the parents feel are appropriate. Also take into account how easy it will be for your child to get to the school on time from your home address.

It is also important that you consider such issues as the admissions criteria for each school; how places are allocated and who gets priority when a school is oversubscribed. Different schools will have different admissions policies, and these may affect the chances that your child will be offered a place.

[Page 17](#) shows how places were allocated last year. This shows the furthest distance to which each school was able to offer a place last year and should be used as a guide only. Each year the distances to which schools offered will vary according to a number of factors such as the number of places on offer; how many applications are received for each school and where each applicant lives.

If you are thinking about applying for any schools outside Sutton, please also get a copy of the relevant local authority booklet or contact the schools directly for information about admissions criteria or supplementary forms (see [pages 38-40](#) for details).

### **How do I check my distance to nearby schools?**

Some schools will give higher priority within some of their criteria for those who live nearest to the school. You can get information on where your local schools are, how far they are from your home address, and what the furthest distance is to which they have offered places in recent years all by using [the distance checker](#) available at [www.sutton.gov.uk/admissions](http://www.sutton.gov.uk/admissions).

## How are places allocated?

Our admissions process operates an equal preference scheme, which means that each admissions authority will consider applications without knowing the order of preference on your application. If your child is unsuccessful at your first preference school, they will not get overlooked by schools lower down your order of preference.

The admissions authority, which can be the local authority or the school itself, will decide whether a place can be offered. Where a school is oversubscribed, the admissions criteria are used to rank applications. This is the order in which children will be offered places.

If your child is eligible for only one of the schools you listed as a preference, this will be the offer that is made to you. Where a child can be offered two or more of their preferred schools, the offer made will be for the highest preference school. Any lower preferences will be automatically withdrawn.

Where you have applied to schools in more than one London borough, these boroughs exchange details electronically and the process is repeated. Again, the highest potential offer is retained, and the others discarded. This process continues until each child has no more than one offer.

If your child is not eligible for any of the schools you applied for, and you are a Sutton resident, we will try and offer your child a place at an alternative appropriate school with a vacancy.

## What if I have exceptional medical or social reasons for wanting a school?

Some schools give priority to children who have a **professionally supported medical or social reason**, to attend a particular school.

Providing evidence does not guarantee that a child will be given priority at a particular school and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at one particular school above any other.

Common medical conditions and allergies can usually be supported in all mainstream schools, therefore priority under a school's exceptional medical criterion would not normally be given for these.

Additionally, routine child-minding arrangements would not normally be considered to be an exceptional social reason for placement at a particular school.

**Evidence to support an application for medical or social priority must be received by 15 January 2024, which is the closing date for applications.**

Evidence received after that date but before 8 February 2024 may be considered if it could not reasonably have been provided by 15 January 2024, but in all such cases the decision will be

made by the admission authority for the school. Any evidence received after 8 February 2024 will not be considered until after the initial allocation of places

Details of any exceptional medical or social reason should be attached to the online application. Alternatively, please send professional supporting evidence to:-

School Admissions Team, Cognus Limited, Cantium House, Railway Approach, Wallington, SM6 0DZ. Where a school **does not** give priority to **any** applications for an exceptional family, social or medical need because this is not part of its oversubscription criteria any documentation provided by parents will not be taken into consideration by the school.

## **When will I know the outcome of my application?**

Online applicants will be able to view the outcome of their application on the evening of 16 April 2024. You will receive an email giving you the outcome of your application. Applicants who use a paper form, and if we do not hold a valid email address will receive their outcome in a letter sent on 16 April 2024. All Local Authorities will send outcomes, either by letter or email, to their own residents on 16 April 2024, giving instructions on how to accept or decline any place you have been offered.

## **What if my application is late or I move after the deadline?**

If your application is made after the closing date of 15 January 2024 or you change your existing preferences after this date, your application will be treated as late. A late application will not be considered until after all those that were received on time and may jeopardise the possibility of your child being offered a place at one of your preferred schools. This is unless you can provide proof that there were exceptional reasons that prevented you from applying on time.

If you submit an application or change your existing preferences, or order of preferences after 15 January 2024 but by 8 February 2024 with good reason for doing so, the application will be treated as on time subject to receipt of acceptable proof.

Parents must submit written evidence giving details of their case. Where a change of address has occurred, we will require a copy of their new council tax bill together with a solicitor's letter regarding contract completion or a copy of the new tenancy agreement, we may also ask for proof that you have moved out of your previous address.

## **What if I change my address during the process?**

You should ensure you make an on-time application to your home local authority by the closing date of 15 January using the address that you are living at when you submit your application. If you subsequently move, you must immediately advise your home local authority.

If the move takes place after 15 January but by 8 February 2024 you should advise your home local authority, and, if the move is to a new local authority you may also want to provide details to the new local authority. Sutton school admissions team will require confirmation that your family have moved out of the previous property and no longer have access to it and that your family have moved into the new property. Each change of address will be looked at individually. Providing information regarding a change of address does not guarantee that the new address can be used for the school application.

## **What is a waiting list?**

Where a school is oversubscribed and has more applicants than places available, offers are made according to the admissions criteria. Those who cannot be offered a place will be added to a waiting list, providing they are not offered one of their higher preference schools. Waiting lists are kept in the same order as the admissions criteria of the school.

All applicants will automatically be held on waiting lists for higher preference schools than the one offered, and you will be contacted if a place becomes available. If the schools are outside Sutton, we will pass the child's information to the relevant borough(s) to add to their waiting lists. If you want to know if your child is on a waiting list for a school in another borough, you should contact the school's admissions authority (either the relevant local authority or the school itself).

Waiting lists for Community schools are maintained by the Local Authority. Voluntary Aided schools, Foundation schools and Academies maintain their own. Waiting lists are cancelled on 31 December. If you wish to remain on the list for Sutton schools after 31 December, you must email/write to the admissions authority (the local authority or the school itself) before this date and then at the end of the academic year thereafter.

Waiting lists can change for example, if a child moves into the area after the initial allocations have been made their name will be added to the waiting list in accordance with the admissions criteria. If they live closer to the chosen school than you do, their name may go above your child's on the waiting list.

## **Can I appeal if I don't get the place I want?**

All parents have the right of appeal against a decision not to offer a place for a child, providing an application has been made. For Sutton Community schools, appeals should be lodged with the Cognus School Admissions Team. For Voluntary Aided schools, Foundation schools or Academies, they should be lodged directly with the governing body of the particular school.

Information about how to appeal will be sent to all applicants who are not offered their first preference school. This will be included in the letter or online response sent on 16 April 2024. Appeals are likely to be heard during June and July.

It is rare for an appeal to be upheld due to government legislation which places a limit on infant class sizes. There are a small number of circumstances the panel may consider, and information is available at [www.sutton.gov.uk/admissions](http://www.sutton.gov.uk/admissions)

If you do have evidence to support your application, an appeals panel will not take this into account unless it was supplied with the original application.

Last year 1 appeal was lodged for a community school and it was not upheld.

## What if my child has special educational needs?

If your child has an **Education Health and Care Plan** and you live in Sutton, you will need to call the SEND Team on 020 8323 0454 as the application process is different from that described in this brochure. If your child receives support under SEN Support, you should follow the procedures in this booklet.

In Sutton, the **Sutton Information, Advice & Support Service** can provide impartial advice to parents and carers who may have difficulty understanding the admissions procedure, enabling them to make informed and realistic preferences for primary education for their children. This

service is particularly aimed at parents who require help in completing forms or those parents who have English as a second language.

In addition, the **Sutton Information, Advice & Support Service** supports parents and carers of children with Special Educational Needs living in Sutton. They offer impartial advice and support and can discuss options for children moving on to primary education. They offer support to parents and carers whose children have Education, Health and Care Plans (EHCP) or those who are currently on SEN Support.

# Map of primary schools in Sutton

# Admissions criteria for Community schools

Where a Community school receives more applications than there are places available, offers of places for Reception will be made in the following priority order:

1. Looked After Children and previously Looked After Children (see [page 8](#) for more details).
2. Where there are professionally supported medical reasons or exceptional social reasons why a child should attend a particular school (see [page 14](#) for more details).
3. Where applicants have an older sibling in the school or attached junior school or Base Unit, at the time of admission. Siblings in Year 6 or nursery at the time of application will not qualify (see [page 10](#) for more details).

For the purpose of this sibling criteria the following schools are attached:

[Robin Hood Infants'](#) and [Robin Hood Junior](#) schools

4. **(Except Hackbridge Primary School)** Remaining places are offered on the basis of proximity to the school, measured in a straight line from the child's home address to the main entrance of the school building, with those living closer to the school receiving the higher priority. The address to be used in the initial allocation of places will be the address on 15 January 2024, unless a subsequent move has been accepted for allocation purposes (see [page 15](#) for more details).

**(Hackbridge Primary School Only)** Straight Line distance between the child's home address and the mid-point between the existing school site and the new school site on London Road. The mid-point is defined as the point that is equidistant between each site's main school entrance.

Where two or more applicants share a priority for a place, and there is only one place remaining, the child to be allocated will be selected randomly by the computer.

**Please note that a place in the nursery class of a particular school does not give priority for a place in the reception class of that school.** This is to ensure that parents who have decided not to send their children to nursery will not be disadvantaged when applying for a school place.

As there are likely to be more parents applying for their children to start school, the distance each school is able to offer out to may reduce when compared to nursery applications.

# Admission criteria for Foundation schools and Academies

For Foundation Schools and Academies, the governing body of the school is responsible for admissions. Each school has its own admission arrangements which are summarised below. **You can get a copy of each school's full arrangements by contacting the school or by visiting Sutton's website at [www.sutton.gov.uk/admissions](http://www.sutton.gov.uk/admissions)**

## Abbey Primary School

There are 60 places available. **No supplementary form is necessary.** Where there are more than 60 applicants, the following criteria apply:

1. Looked After Children or previously Looked After Children (see [page 8](#) for more details).
2. Professionally supported exceptional medical or social reasons (see [page 14](#) for more details).
3. Children of staff where the member of staff has been employed for more than 2 years at the time of the application or recruited to fill a demonstrable skill shortage
4. An older sibling in the School at the time of admission (see [page 10](#) for more details).
5. Straight-line distance from the home address to the entrance of the school, with those living closer to the school receiving higher priority (see [page 13](#) for more details).

The address to be used in the initial allocation of places will be the address on 15 January 2024, unless a subsequent move has been accepted for allocation purposes. Where two or more applicants live equal distance from the school, Governors will draw lots to determine priority.

# Admission criteria for Voluntary-Aided schools

You can get a copy of each school's full arrangements by contacting the school, clicking on the link for each school's name or by visiting Sutton's website at [www.sutton.gov.uk/admissions](http://www.sutton.gov.uk/admissions). Each school has its own admission arrangements which are summarised below. For Voluntary-Aided Schools, the governing body of the school is responsible for admissions. Please see [page 12](#) for details of the dates by which supplementary forms should be returned to each school.

## All Saints' Benhilton C of E Primary School

There are 60 places available. Where there are more applicants than places available, places will be allocated in the following priority order:

- 1) looked after children or previously looked after children (as defined in note 1 of the full policy available from the school website).
- 2) children with an exceptional and professionally supported medical or social need for a place at this school (as defined in note 2 of the full policy available from the school website).

Any places allocated under 1) and 2) above will reduce the number of available Foundation places by the same amount.

### **FOUNDATION PLACES**

The Governing Body has designated a maximum of **42 places** to be offered to children with a parent/carer who is a regular worshipper (as defined in note 3 of the full policy available from the school website) in an Anglican or other qualifying Christian Church (as defined in note 4 of the full policy available from the school website).

**Written evidence of applicants' attendance at their place of worship is required at the time of application on the School's Supplementary Information Form, which must be returned to the School; this evidence must be endorsed by your priest.**

If there are more applicants who qualify for a foundation place than foundation places, places will be allocated according to the following criteria in order of priority.

If the number of places is insufficient for the number of qualified applicants in a particular oversubscription criterion, places will be allocated to those children living closer to the school measured in a straight line from the home address to the front door of the school using the London Borough of Sutton Primary School Distance Checker online tool. (See Guidance notes for clarification of home address in the full policy available from the school website) This may occur in any priority. In the rare occurrence of equi-distance from the school, lots will be drawn and overseen by someone independent of the school.

- 1) children who will have a sibling (as defined in note 5 of the full policy available from the school website) in the school at the time of admission;
- 2) children whose parent/carer is a faithful worshipper at All Saints Benhilton Church;
- 3) children whose parent/carer is a faithful worshipper at another Anglican church;
- 4) children whose parent/carer is a faithful worshipper at another qualifying Christian church (as defined in note 4 of the full policy available from the school website).

If a Foundation applicant does not meet the Foundation criteria or fails to provide a signed supplementary form, the Governors will consider the application alongside Open place applications.

Any unfilled foundation places will become additional open places.

## **OPEN PLACES**

The governors have designated **18 Open places**, to be offered to children who do not qualify for a Foundation place but whose parent/carer has chosen the school for the type of education it provides. Any parent/carer applying for an Open place does so knowing that the school provides an education based on Christian principles, and therefore the governors hope that all pupils will take part in the Christian worship of the school and will attend Religious Education lessons.

If there are more applicants than places available, places will be allocated according to the following criteria. These are stated in order of priority. Once the number of places is insufficient for the number of qualified applicants, places will be allocated to those children living closer to the school measured in a straight line from the home address to the front door of the school using the London Borough of Sutton Primary School Distance Checker online tool. (See Guidance notes for clarification of home address.) This may occur in any priority. In the rare occurrence of equi-distance from the school, lots will be drawn and overseen by someone independent of the school.

- 1) children who will have a sibling (as defined in note 5 of the full policy available from the school website) in the school at the time of admission
- 2) all other children in order of distance from the school.

# All Saints' Carshalton C of E Primary School

There are 60 places available. After the allocation of places to children with statements of special educational needs, 80% of remaining places will be for Foundation applicants, and 20% to Open applicants. In the event of there being more applications than places available, the following oversubscription criteria will apply.

## **Foundation Places**

Foundation places are for children whose parents are members of a Christian church.

**Applicants under this category must complete a supplementary form which should include a completed Ministers Reference.** Unsuccessful applicants in this category will be considered for Open places.

1. Looked After Children or Previously Looked After Children 'whose parent(s) are **regular and faithful worshippers** at their church as defined in the Explanatory Notes' available from the school website.
2. Children with an exceptional medical or social need for a place at All Saints School, 'whose parent(s) are **regular and faithful worshippers** at a Christian church, as defined in the Explanatory Notes' available from the school website. Applications under this category must **at the time of application** be supported by written evidence from a specialist health professional or registered social worker, setting out the reasons why All Saints School is the most suitable, and the difficulties which would be caused if the child had to attend another school. This information needs to be provided for the Local Authority with the Common Application Form (CAF), and also copied to the school.
3. Children who will have a sibling on the school roll **at the time of entry**, whose parent(s) are **regular and faithful worshippers** at a Christian church.
4. Children whose parent(s) are **regular and faithful worshippers** at All Saints Church, Carshalton.
5. Children whose parent(s) are **regular and faithful worshippers** at an Anglican church for whom this is their closest Church of England school to the child' home address.
6. Children whose parent(s) are regular and faithful worshippers at another Christian church.

## **Open Places**

Applications for an Open place will be considered for those who do not qualify for a Foundation place. Parents applying for an Open place should be aware of the school's aims to provide an education based on Christian principles. **No supplementary form is necessary for applications in this category.** In the event of there being more applicants than places available, the following oversubscription criteria will apply:

1. Looked After Children or Previously Looked After Children
2. Children with an exceptional medical or social need for a place at All Saints School. Applications under this category must **at the time of application** be supported by written evidence from a specialist health professional or registered social worker, setting out the reasons why All Saints School is the most suitable, and the difficulties which would be caused if the child had to attend another school. This information needs to be provided for the Local Authority with Common Application Form (CAF), and also copied to the school.
3. Children who have a sibling on roll at the time of entry.
4. Children of permanent teaching staff who have been employed at the School for two or more years at the time of application or have been recruited to fill a vacant post at the School for which there is a demonstrable skill shortage.
5. Other children.

In the event of over-subscription in respect of any of the above categories, a decision will be reached according to proximity of the child's home address to the school, with priority given to those living nearer. In the event of equidistance, lots will be drawn on the school's behalf by a person independent of the school.

For both Foundation and Open places, in the event of over-subscription in respect of any of the above categories, priority will be given to those living nearer to the school (see [page 13](#) for more details). In the event of equidistance, lots will be drawn on the school's behalf by a person independent of the school.

## **St Cecilia's Catholic Primary School**

There are 60 places available. **All applicants should also complete a supplementary form, which is available from the school.** If there are more than 60 applicants, the following criteria apply:

1. Looked After Catholic Children or Looked After Children in the care of Catholic families, including previously Looked After Children (see [page 8](#) for more details).
2. Baptised Catholic children or children enrolled in the catechumenate who have a priest's reference stating that the family attend Mass on a weekly basis and who have a sibling in St Cecilia's at the time of admission.
3. Baptised Catholic children or children enrolled in the catechumenate who are resident in the parish of St Cecilia's, St Matthias' or St Christopher's, and who have a priest's reference stating that they attend Mass on a weekly basis.
4. Baptised Catholic children or children enrolled in the catechumenate who are resident in other parishes who have a priest's reference stating that the family attend Mass on a weekly basis.
5. Baptised Catholic children or children enrolled in the catechumenate, not so far accounted for. Priority will be given to those children where the family attend Mass at least once a month then to those who attend less often.
6. Other Looked After Children or previously Looked After Children.
7. Children who are members of Eastern Christian Churches including Orthodox Churches. Evidence of Baptism or reception from the authorities of that Church will be required.
8. Children of other Christian denominations that are part of Churches Together in England whose applications are supported by a minister of their religion.
9. Children of other faiths whose applications are supported by their religious leader.
10. Any other applicants.

Where the school is oversubscribed, the following priority will be applied to the above groups:

- A. Professionally supported medical, social or pastoral need (see [page 14](#) for more details).
- B. Those who have a sibling in the school at the time of admission (see [page 10](#) for more details).
- C. Children of teaching staff where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made.
- D. Those living nearest to the school, measured from the school's front gate (see [page 13](#) for more details).

## St Dunstan's Cheam C of E Primary School

There are 60 places available. After allocation of EHCP places, of the remaining places the Governors will offer 51% of places (rounded up if necessary) to Foundation applicants, and 49% of places (rounded down if necessary) to Open applicants. Foundation places are for children whose parent/carer is a member of a Christian Church (see school website for the full policy).

1. Looked after children or previously looked after children whose parent/carer is a faithful and regular worshipper at a Christian church (see [page 8](#) for more details).
2. Children with an exceptional and professionally supported medical or social need for a place at St Dunstan's, Cheam, C of E Primary School whose parent/carer is a faithful and regular worshipper at a Christian church. At the time of application, the supporting evidence from a specialist health professional, social worker or other care professional must set out the particular reasons why this School is the most suitable and the difficulties that would be caused if the child had to attend another school (see [page 14](#) for more details).
3. Children who have a sibling attending the school at the time when Governors are considering the application and whose parent/carer is a faithful and regular worshipper at a Christian church (see [page 10](#) for more details).
4. Children of families who have been faithful and regular worshippers for at least two years at St Dunstan's Church, Cheam, St Alban's Church, Cheam, or St Oswald's Church, Cheam, immediately prior to application. and live in the Parish of Cheam or within half a mile of the Parish boundary.
5. Children of families who have been faithful and regular worshippers for at least two years at a Church of England church, immediately prior to application.
6. Children of families who have been faithful and regular worshippers for at least two years at another Christian church, immediately prior to application.
7. Children of permanent teaching staff who have been employed at the school for two or more years at the time of application and/or who have been recruited to fill a vacant post at the School for which there is a demonstrable skill shortage. (The supplementary information form is required).
8. (Children attending St Dunstan's School Nursery eligible for the Pupil Premium at the time when governors are considering the application. (The supplementary information form is required).
9. Children living nearest the school as measured in a straight line from the school entrance in Anne Boleyn's Walk to their home address using a computerised Geographical Information System (GIS) maintained by Sutton's Admissions team.

Tiebreaker Where two or more applicants share priority for a place, for example where two children live equidistant from the school, and there is only one place remaining, the child to be allocated will be selected by the drawing of lots.

Oversubscription criteria – OPEN PLACES Open places are for those who do not qualify for a Foundation place. Parent/carers applying for an Open place should be aware of the school's aims to provide an education based on Christian principles.

1. Looked after children or previously looked after children (see [page 8](#) for more details).
2. Children with an exceptional and professionally supported medical or social need for a place at St Dunstan's, Cheam, C of E Primary School. At the time of application, the supporting evidence from a specialist health professional, social worker or other care professional must set out the particular reasons why this School is the most suitable and the difficulties that would be caused if the child had to attend another school (see [page 14](#) for more details).
3. Children who have a sibling attending the School at the time when Governors are considering the application (see [page 10](#) for more details).
4. Children of permanent teaching staff who have been employed at the School for two or more years at the time of application and/or who have been recruited to fill a vacant post at the School for which there is a demonstrable skill shortage. (The supplementary information form is required).
5. Children attending St Dunstan's School Nursery eligible for the Pupil Premium at the time when governors are considering the application. (The supplementary information form is required).
6. Children living nearest the school as measured in a straight line from the school entrance in Anne Boleyn's Walk to their home address using a computerised Geographical Information System (GIS) maintained by Sutton's Admissions team.

Tiebreaker Where two or more applicants share priority for a place, for example where two children live equidistant from the school, and there is only one place remaining, the child to be allocated will be selected by the drawing of lots.

## **[The Federation of St Elphege's Catholic Infants' School](#)**

There are 90 places available. **All applicants should also complete a supplementary form, which is available from the school.** If there are more than 90 applicants, the following criteria apply:

1. Looked After Catholic Children or Looked After Children in the care of Catholic Families including previously Looked After Children (see [page 8](#) for more details).
2. Baptised Catholic children (see schools' admissions policy for definition) from practising Catholic families with a sibling attending St Elphege's Schools at the time of admission. (see [page 10](#) for more details).
3. Baptised Catholic children from practising Catholic families without siblings attending St Elphege's School at the time of admission.
4. Other Looked After Children including previously Looked After Children.
5. Other children with a sibling attending St Elphege's Schools at the time of admission.
6. Children of other faiths.
7. Children of no religion.

Where the school is oversubscribed the following priority will be applied to the above groups:

1. Evidence of an exceptional social, medical or pastoral need (see [page 14](#) for more details).
2. Distance from home to the front gate of the school, with those living closest to the school receiving the higher priority (see [page 13](#) for more details).

## **St Mary's Catholic Nursery and Infants' Schools**

There are 90 places available. **All applicants should also complete a supplementary form which is available from the school.** If there are more than 90 applicants, the following criteria apply:

11. Children of other faiths. Evidence of membership of the faith should be provided by a priest/minister/faith leader
12. Any other children.

### **Tie-breaks**

The following order of priorities will be applied when applications within any of the above categories exceed the places available and it is necessary to decide between applications;

- a) Medical or Social grounds which make the school particularly suitable for the Catholic child in question. Catholic refugees, asylum seekers and other migrants will also be considered under this category. These would require verification by an appropriate authority such as a medical practitioner or social worker.
- b) Distance from home to school. All distances will be measured in a straight line by the London Borough of Sutton computerised Geographical Information System from the School entrance. Evidence of residence may be required. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school the place will be decided by the drawing of lots.

## **Independent schools**

Information about independent schools can be obtained from:

Independent Schools Council

First Floor

27 Queen Anne's Gate

London SW1H 9BU

Tel: (020) 7766 7070

Email: [information@isc.co.uk](mailto:information@isc.co.uk)

Web: [www.isc.co.uk](http://www.isc.co.uk)

To apply, contact the school direct for further details and an application form. Independent schools must **not** be named on your application form. The Local Authority cannot act as your agent in contacting a private school. It has no role at all in admissions to private school, or in relation to any other aspect of education at a private school.

# Frequently asked questions

## **If I complete the application form online, should I send in a paper copy as well?**

No. If you complete the online application form you should print out and retain your receipt but please do not fill in a paper copy as well. If we receive two applications it will, at the very least, delay the process and may jeopardise your school offer. We recommend you apply online if possible.

## **I don't live in Sutton. Can I apply for Sutton schools?**

Yes. You must name the school(s) in your home local authority application.

## **I live in Sutton. Can I apply for schools in other boroughs?**

Yes. You can apply online and you should name all schools in order of preference whether they are in Sutton or in other boroughs. You should check with out-of-borough schools to see if there is a supplementary form required (see [pages 38-40](#)).

## **If I already have a child at my preferred school will I automatically get another place?**

Not necessarily. You must make an application and name the sibling in it. Siblings in the nursery or Year 6 may not qualify under this rule. Please check the school descriptions in this booklet or contact schools directly to find out if they give priority.

## **My child is in the school's nursery – does he/she get priority?**

Priority is not given to applicants for community schools in Sutton on this basis as it would be unfair to those who require other types of nursery provision, prefer to keep their child at home or those who have moved into the area since nursery places were allocated. However, other admissions authorities and other boroughs may operate differently, so please check the admissions criteria for the schools for which you are applying.

## **Do I have to name six schools?**

No. However, we strongly recommend that you use all 6 preferences to maximise your chances of being offered a school place on 16 April 2024, as it is not always possible to allocate places later if you add schools or change your mind. You should think about your preference order very carefully. If your child is eligible for an offer of more than one school, only the highest preference offer will be made and all lower preferences will be discarded.

## **Are my preferences confidential?**

Yes. Your preference order and the names of other schools you list will not be released. All admissions authorities (the local authority or the school itself) will consider your application without reference to this information. If you are unsuccessful in your application and lodge an appeal, your application and preference order may be shared with the admissions authority and appeals panel.

## **We live in Sutton. Do I have a right to a place in a Sutton school?**

A local authority has a responsibility to provide school places for children in its area. However, the Education Act 1996 (Section 18) does not specify that schools have to be located in that borough. We encourage parents to consider schools both inside and outside of Sutton, particularly if you live close to the borough boundaries. If you are unsuccessful in your preference schools, we will try and offer an alternative school.

### **What do I do if I don't get the place I want?**

You are entitled to reject any place offered. However, if you reject an offer it will then become your responsibility to secure an alternative.

If you are offered a place at a school that is not your first preference, you will automatically go on the waiting list for your higher preference schools. Any preferences that are lower than the offered preference are withdrawn. You will also have the right of appeal against any school that does not offer a place, providing it was named as one of your preferences (refer to the appeals section on [page 16](#)).

If you are offered one of your lower preferences, we recommend that you accept the place while waiting to see if a higher offer can be made. This ensures that your child will have a school to go to in September and does not prejudice your right of appeal or your place on higher preference waiting lists.

### **I am a Sutton resident. What happens if I don't get any of my preferred schools?**

If you are a Sutton resident and we are unable to offer you any of your preferences, we will consider allocating you a place at an appropriate school with a vacancy. You do not have to accept this but doing so will not prejudice your right of appeal or your position on the waiting lists for your preferred schools. If you reject the offer made, it will become your responsibility to seek an alternative.

### **If I do not get a school offer that I am happy with, can I educate my child at home?**

You may choose to take this option but we do not recommend that you do so. If you decide that this is the best option for you, you must notify the local authority in writing. You must provide a curriculum suitable for a student of primary age and the local authority has a duty to ensure that the education you provide is appropriate. The local authority will ask for full details of your arrangement and our advisers will make monitoring visits while you are educating your child at home. We do not provide materials, tutors or funding and cannot support you to educate your child at home.

### **I have been offered a place at an Independent school. What should I do?**

If you are accepting a place in an Independent school and you have been offered a place by Cognus School admissions team, please inform us of this. It is very important that you do this as otherwise you may be preventing another child from receiving an offer of a place. Also, if your child is expected to start at a school in September and does not arrive, a School Attendance Officer will visit you to find out what arrangements you have made for his or her education.

### **If my child starts primary school, can I apply for a move to another school?**

We do not recommend a child changes school unless there is a house move involved which makes travel to school particularly difficult. If you wish to consider a change of school, please contact the Cognus School Admissions Team for advice and to discuss the options available (see [contact details](#) on next page).

### **I live in Sutton. Is my child entitled to free school travel?**

Children can travel free on the buses and trams provided that they have a child photo Oyster Card. An information leaflet and application form can be obtained from the Post Office or the Transport for London website. Some families who have a low income may qualify for assistance if it is essential that their child travels by train or underground, the school is a long

distance from home, and no other placement can be provided locally. More information can be found at [www.sutton.gov.uk/admissions](http://www.sutton.gov.uk/admissions).

### **I don't live in Sutton. Is my child entitled to free school travel?**

You will need to contact the local authority in the borough where you live for further information, as each borough is responsible for the travel arrangements for its own residents.

### **Is my child entitled to claim free school meals?**

All children in Sutton are eligible to receive free school meals until the end of Year 6 without the need to make an application. However, if you receive a qualifying benefit it is important to register your child for free school meals in order to help raise funds for schools. [https://www.sutton.gov.uk/info/200521/benefits/1288/free\\_school\\_meals\\_and\\_pupil\\_premium](https://www.sutton.gov.uk/info/200521/benefits/1288/free_school_meals_and_pupil_premium)

### **Does Sutton provide clothing grants for school uniforms?**

No. There is no grant available for clothing. However, some schools offer their own discount schemes.

### **What if my child has health problems?**

You should make an appointment with the appropriate person at the school to discuss the problem. If you want to discuss the problems further, you can phone the school nursing department on 020 8770 5409 or visit their website [School Nursing | Sutton Health and Care](#)

### **Do schools provide for children with disabilities?**

Sutton schools have access for children with disabilities. Please contact the school direct to discuss your child's needs with the staff.

### **Can my child be admitted outside their normal age group?**

Parents may request that their child is exceptionally admitted outside their age group. The Admission Authority for the School will decide whether or not the individual child's circumstances make this appropriate, taking into account the child's individual needs and abilities and considering which year group these needs can best be met. Such requests will only be agreed in exceptional circumstances. Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. Please contact your home Local Authority for more information.

### **Where can I find out more about admissions to Sutton primary schools?**

More information is available by going to [www.sutton.gov.uk/admissions](http://www.sutton.gov.uk/admissions). Alternatively, you can contact the schools directly for more information about what they offer and any specific admissions requirements. You can also visit the school websites.
