## **i** Information Sharing Agreement:

You are asked to consent to personal information about you/your child being shared with other agencies. All agencies involved in providing services are required by law to cooperate to improve the wellbeing of children and young people, but require your consent to help do so. The purpose of sharing information is to enable gather a better understanding of strengths and needs. It will also avoid you having to repeat the same information to several people or agencies.

Information already held or collected during an assessment may be shared with relevant others. This information may include details about you/your child's health, welfare and development, home or family circumstances.

In some circumstances, information can be shared between agencies without consent, for example where sharing information might prevent a crime or safeguard the welfare of a child or young person. Even in these circumstances, it is normal practice to obtain consent where possible.

Completed EHAT, EHAT-R and EHAT-C forms are held by the London Borough of Sutton. Your information may be anonymised for research purposes and to improve the services we offer to families in Sutton.

### **Consent:**

- I understand that this form will go with my child between settings and will be shared with anyone involved with my child to ensure they continue to get the support that they need.
- I confirm that I have read and understood the above statement. By signing this form I am accepting the terms of this Information Sharing Agreement.
