## It really helps if you...

**Flatten** cardboard boxes before putting them in the green wheelie bin

**Empty and rinse** all containers before putting them in the green box

**Remove film lids** from plastic pots, tubs and trays (put the film lids in your brown wheelie bin)

Only place items that cannot be recycled in your **brown wheelie bin** - no food waste please

On collection day, place your bins at the **front edge of your property**, close to the pavement but not on it
