

## Invitation - FREE Webinar: Covid 19 Vaccination for Clinically Extremely Vulnerable Children & Young People 16th August 2021 from 6.30pm to 7.30 pm

**What has changed?** On 19 July 2021, the UK government and devolved administrations announced that they had accepted advice from the Joint Committee on Vaccination and Immunisation (JCVI) on COVID-19 vaccination in Clinically Extremely Vulnerable (CEV) Children and Young People 12 to 17, with a later announcement covering 16 to 17 year olds.

**What is the Webinar for?** Public Health England, in support of the upcoming Covid 19 vaccination programme are holding an evening webinar to help explain the upcoming vaccination programme to Parents, Carers, and professionals involved in supporting children and young people with CEV needs.

**Who is the Webinar for?** The webinar is for Parents, Carers and Professionals who work in education, health or children's social care who want to find out more information on the upcoming vaccination programme offer for CEV children.

**When is the Webinar happening?** This free webinar will be running from 6.30 to 7.30 in the evening on Monday the 16<sup>th</sup> August and aims to give parents, carers, and professional supporter of CEV children the facts about:

- The impacts of Covid 19 on CEV children
- An outline of the upcoming vaccination programme from colleagues in PHE and the NHS
- Updates from key partners from London involved in the support of CEV Children and Young People- including those with Special Educational Needs and Disabilities, Complex Continuing Care requirements and neurodiverse children and young people.

**How do I attend the webinar?** Please visit the MS Teams link or phone lines provided below.
