

SUTTON PARENTS FORUM IT CAFÉ

MONDAY 6TH JULY 2015, 10.00 - 12.00

Are you interested in finding out how Information Technology can help children and young people with disabilities? Join our interactive session, led by the experts from Sutton Mencap and Orchard Hill College, to find out about all the latest apps and software that have been specifically designed for our children.

At our May Café, the Short Breaks team explained that there have been a number of families who have chosen to pool part of their current care package budget with other families and purchase small group activities. We are looking at how IT could help make this an easier option for more families and your ideas and views will influence how this service develops.

We look forward to welcoming you to the meeting at the Church of the Good Shepherd, Queen Mary's Avenue, Carshalton Beeches, SM5 4NP.

A buffet lunch will be provided and coffee served from 10am

If you would like more information, please call us on 020 3701 2175, email suttonparentsforum@outlook.com or check our website www.suttonparentsforum.org.uk
