The Youth Offer Easter Holidays Project is open to young people aged 13-19 in the London Borough of Sutton.

All activities (with the exception of the Open Access session at Sutton Youth Centre) require a referral form to be completed by a professional (please email isyp@sutton.gov.uk to get a form).

Deadlines: Referrals must be received no later than 11th March (although exceptions can be made for high need cases).

Please contact Craig Edmunds on craig.edmunds@sutton.gov.uk or 020 8770 5197 if making a referral after the deadline). Parental Consents must be received no later than 18th March.

Important Note: Young people MUST attend the centre-based activity day in order to gain a place on the trip(s) for that week. Places on the trips are extremely limited.

Activities and times are subject to change. Young people will be contacted directly if this is the case.
