SoCom Workshops

For Parents of
pre-school children with
Social and Communication Difficulties
Difficulties

Who can access SoCom?

Parents of pre-school children with Social and Communication Difficulties.

What is SoCom?

SoCom consists of 6 weekly workshops aimed to support a group of six parents of pre-school children with Social and Communication Difficulties.

We aim to support your communication with your child in areas of their behaviour, play and social skills. We aim to empower parents with practical strategies to help understand and manage their children.

What parents have said about SoCom...

There have been changes to my child's behaviour at home and out and about.

Meeting other parents with similar issues with their children, getting their support and understanding has been so helpful.

I cannot express how much this has helped our family. Thanks so much!

I have been able to understand more about my child's behaviour and that makes me feel more relaxed.
