The Sutton Plan

The Sutton Plan sets out a shared vision for the borough and our thoughts on how to tackle some of the big issues facing us.

Partners agreed to focus on 5 principles:

- Think Sutton first.
- Provide seamless coordinated services.
- Build stronger communities.
- Work across sectors.
- Intervene early.

Sutton Health and Care

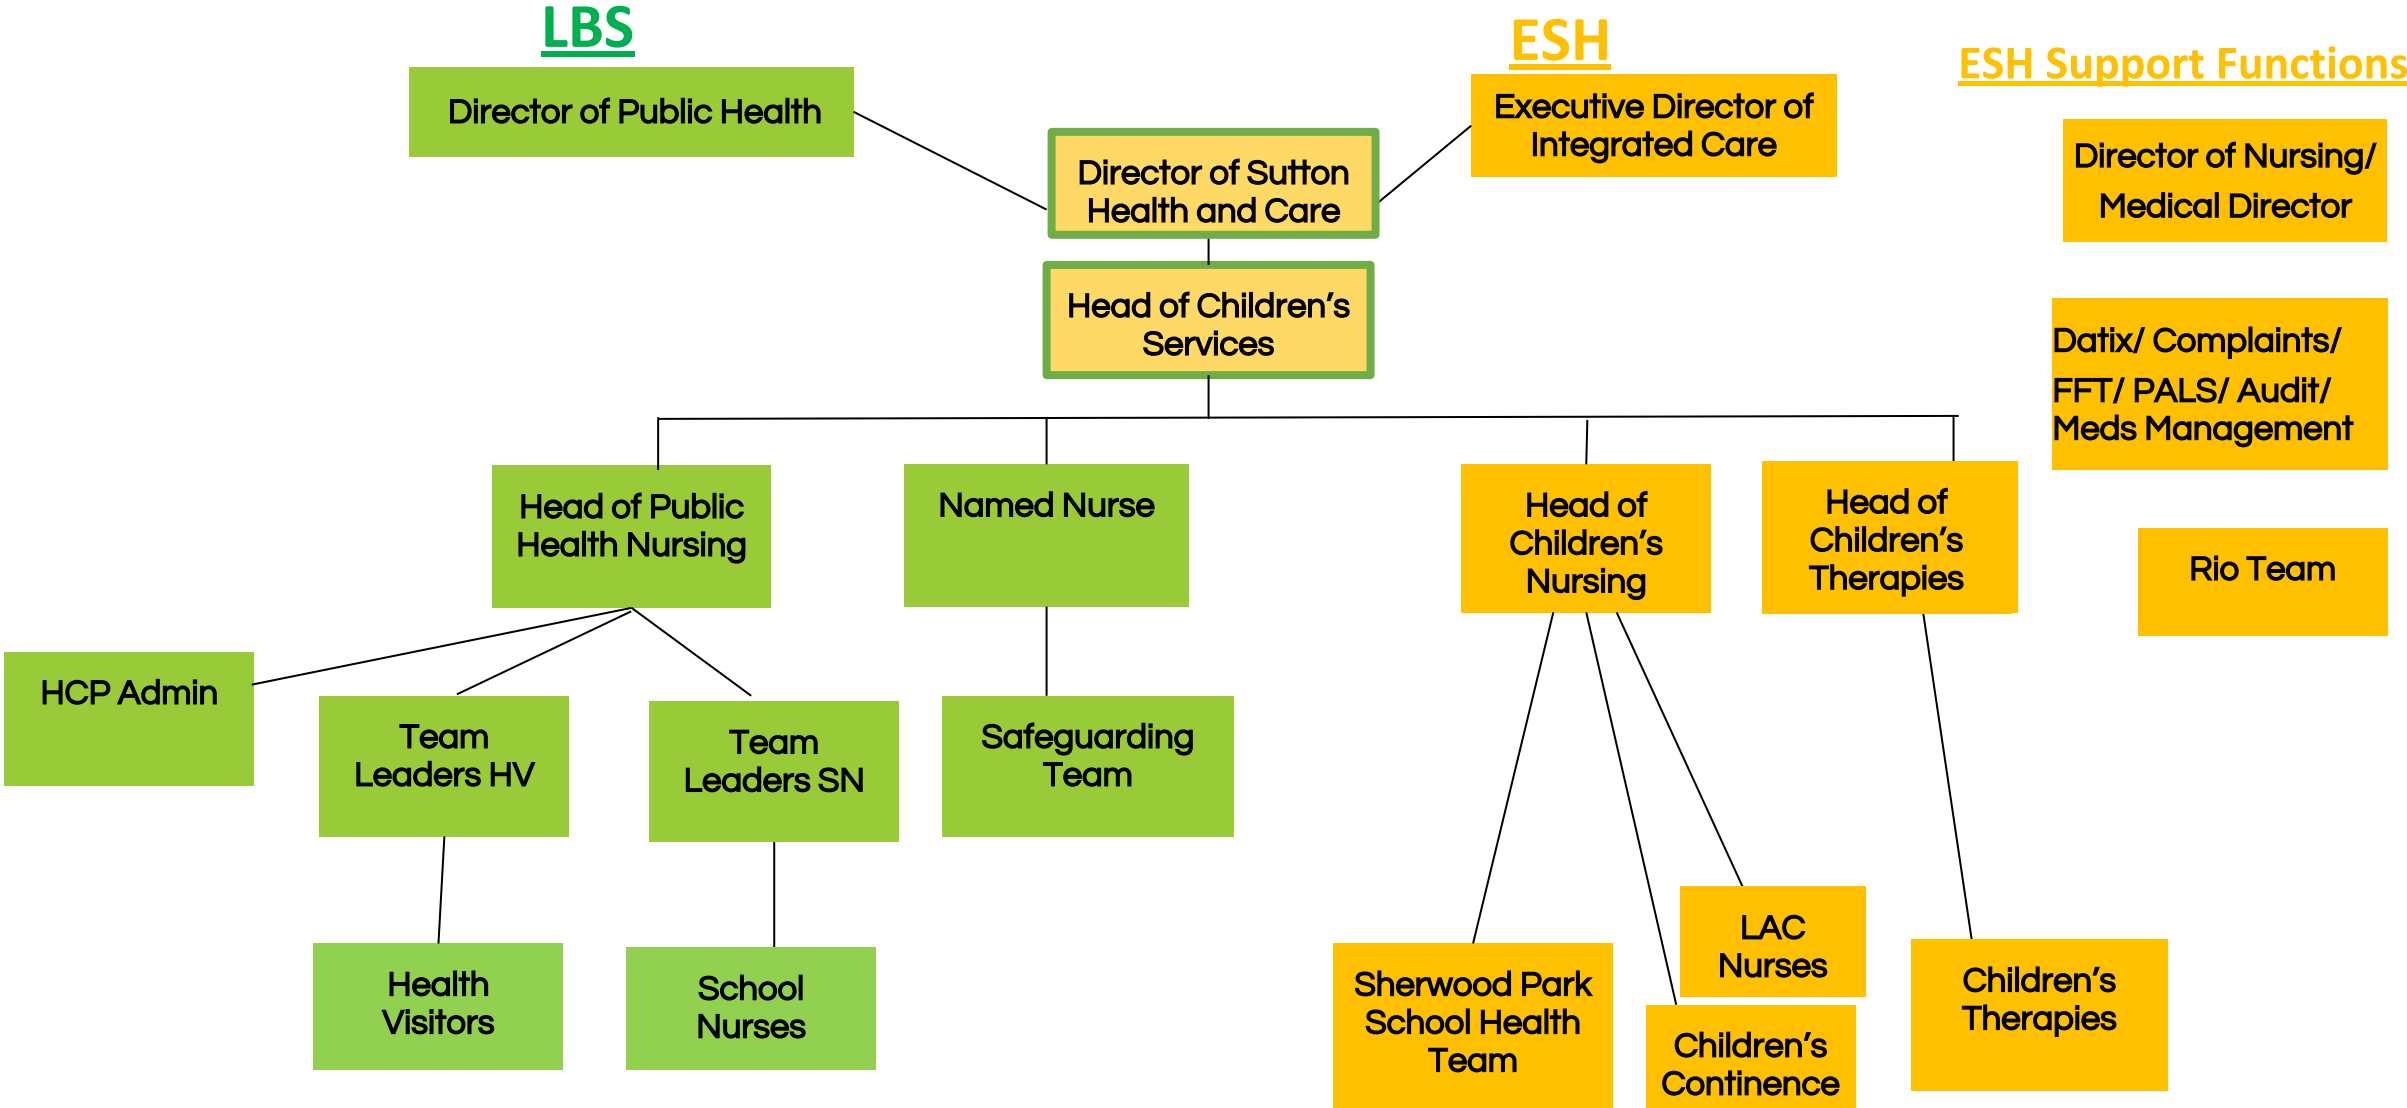

A coherent system of health and care that is shaped around the needs of Sutton's residents.

SHC is a formal alliance of 4 providers.

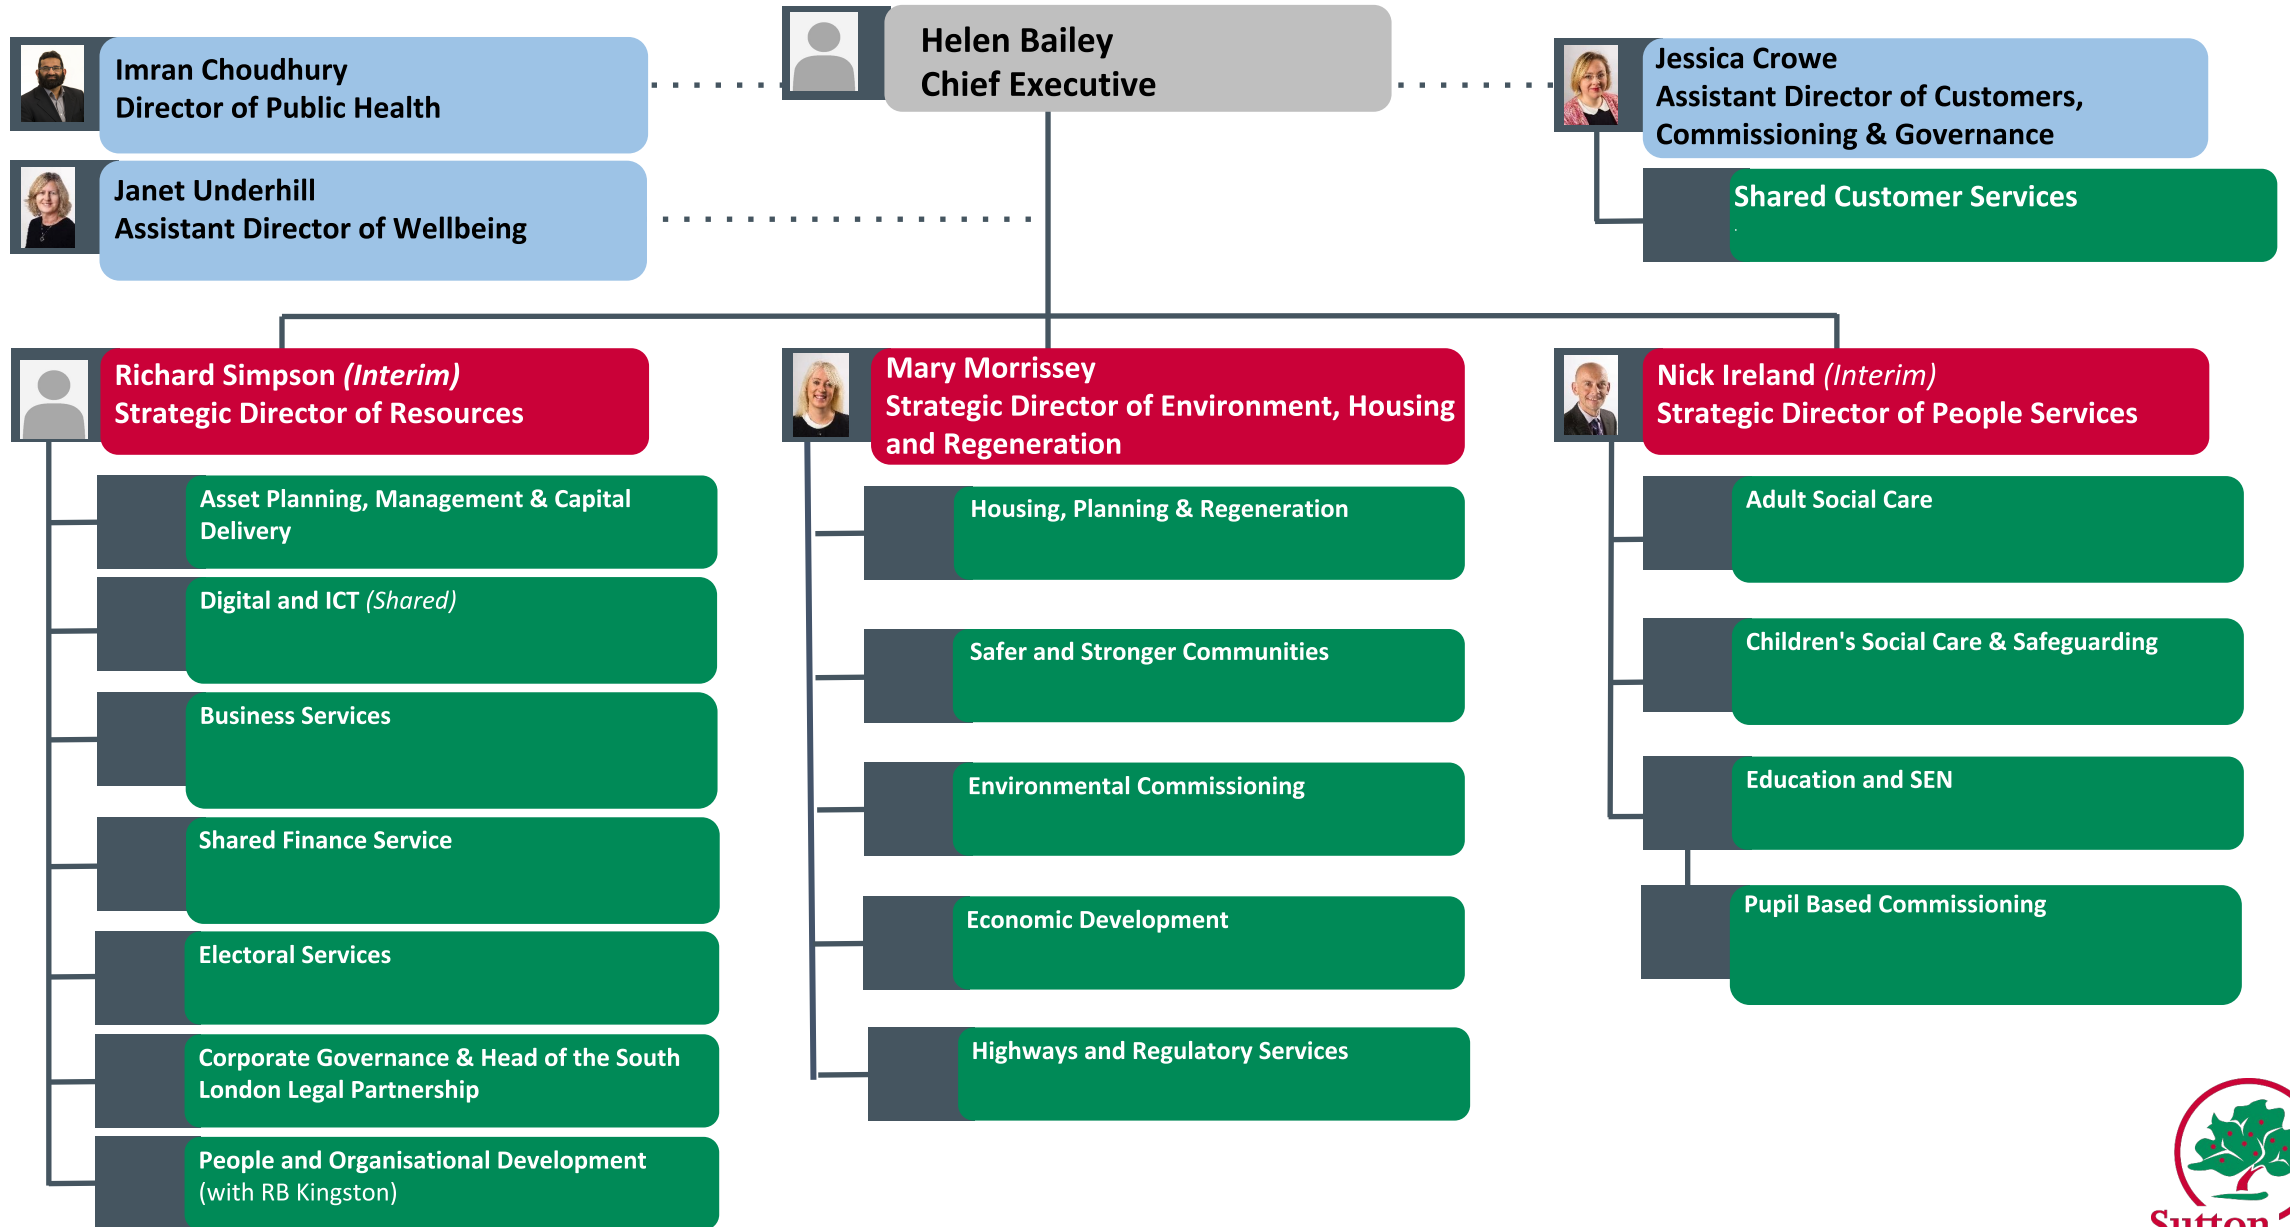

We already have Sutton Health and Care at Home.

Opportunity to shape children's services in Sutton, bringing professionals together to co-design future provision.
