

POST 16 POST 19 TRANSITION IN SEPTEMBER 2020

PLANNING FOR THE NEXT STAGE OF EDUCATION, TRAINING AND EMPLOYMENT

Information meetings for parents/carers/young people with Education, Health and Care Plans who are in Years 11, 13 and 14

We are writing to invite you to join us for an information and discussion meeting to help you plan for your next stage of education/training/employment for September 2020.

This will be held at **Tweeddale Children's Centre, Tweeddale Road, Carshalton, SM5 1SW** at 6.00pm – 7.30pm

Meeting 4 – daytime

Friday 18th October 2019 – for Post-16 learners (current Year 11)

This will be held at the **Sutton Central Library, St Nicholas Way, Sutton, SM1 1EA** at 10.30 am – 12 noon.

WHAT WILL HAPPEN AT THE MEETINGS?

There will be a short presentation about the post-16/19 transition process for securing a place in education, training or employment. The presentation will outline what you need to do to plan for identifying appropriate education/training/employment pathways that build on education experiences so far.

This is important to ensure progress in achieving desired outcomes and aspirations. The presentation will be followed by an opportunity for you to ask any questions you have about the process.

Education/training providers have also been invited to attend to explain what they can provide and to answer questions.

We have invited **all** parents/carers of young people (and young people themselves who are 16 years of age and over) currently in Years 11, 13 and 14 who have an EHC plan maintained by the London Borough of Sutton. This is because the process centres on the EHC plan review meeting which will involve all who have an EHC plan.

If you would like to book a place for one of these meetings then please let us know which meeting you would like to attend by emailing (sen.team@cognus.org.uk) or calling us on 0208 323 0454, **by no later than Thursday 10th October 2019**. Please try to attend a briefing for your transition age either post 16 or post 19.

Many thanks,
