Dear Resident,

Proposed parking changes for Blake Close

Following our recent letter about proposed changes in your street, we are now moving to a formal consultation about these changes.

Proposals for Blake Close

Drivers of waste collection and other larger vehicles have reported difficulties with obstructive parking on Blake Close. We are therefore proposing double yellow lines to address these safety and access issues. **(see Map on the back of this letter).**

Have your say

This is your final chance to let us know if you agree or disagree with the proposals, or indeed have another view. You can see the proposed changes and provide feedback online: www.sutton.gov.uk/-/parking-review.

This formal stage of consultation will end on **October 6, 2022**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Steve Thompson
Parking Programme Manager, Kingston & Sutton Shared Environment Services
