Dear Resident,

Proposed parking changes for Kingswood Drive

Following our recent letter about proposed changes in your street, we are now moving to a formal consultation about these changes.

Proposals for Kingswood Drive

Following resident feedback about obstructive parking causing access issues, we are proposing to introduce double yellow lines at a number of locations on Kingswood Drive. **(see Map on the back of this letter)**. Note that a number of changes have been made to these proposals as a result of the previous informal consultation with residents.

Have your say

This is your final chance to let us know if you agree or disagree with the proposals, or indeed have another view. You can see the proposed changes and provide feedback online: www.sutton.gov.uk/-/parking-review.

This formal stage of consultation will end on **October 6 2022**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Steve Thompson
Parking Programme Manager, Kingston & Sutton Shared Environment Services
