Date: 30 November 2022

Dear Resident,

## **Proposed parking changes for Roman Way**

I'm writing to you as part of our ongoing review of parking in Sutton.

Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

### **Proposal for Roman Way**

We have received a request to extend a section of double yellow lines due to access issues **(see map on the back of this letter)**.

### **Have your say**

This is your first chance to let us know if you agree or disagree with the proposals, or indeed have another view. You can see the proposed changes and provide feedback online:  
[www.sutton.gov.uk/-/parking-review](http://www.sutton.gov.uk/-/parking-review).

This informal stage of consultation will end on **15 December 2022**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

**Kevin Williams**  
**Principal Engineer, Kingston & Sutton Shared Environment Services**
