Dear Resident,

Proposed parking changes for Banstead Road outside 57-65

We're writing to you as part of our ongoing review of parking in Sutton.

Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

Proposal for Banstead Road

Following local requests we are proposing the introduction of a controlled permit zone bay in Banstead Road outside properties 57 to 65 only. The bay would operate Monday-Saturday 8am to 6.30pm (**see detailed map on the back of this letter, new zebra crossing layout not shown**).

Only vehicles with valid parking permits would be permitted to use the parking bays during the operating hours of the CPZ. Permits would only be available to residents of properties 57-65 (see our website for more information on CPZs including permit costs sutton.gov.uk/parkingpermits).

Have your say

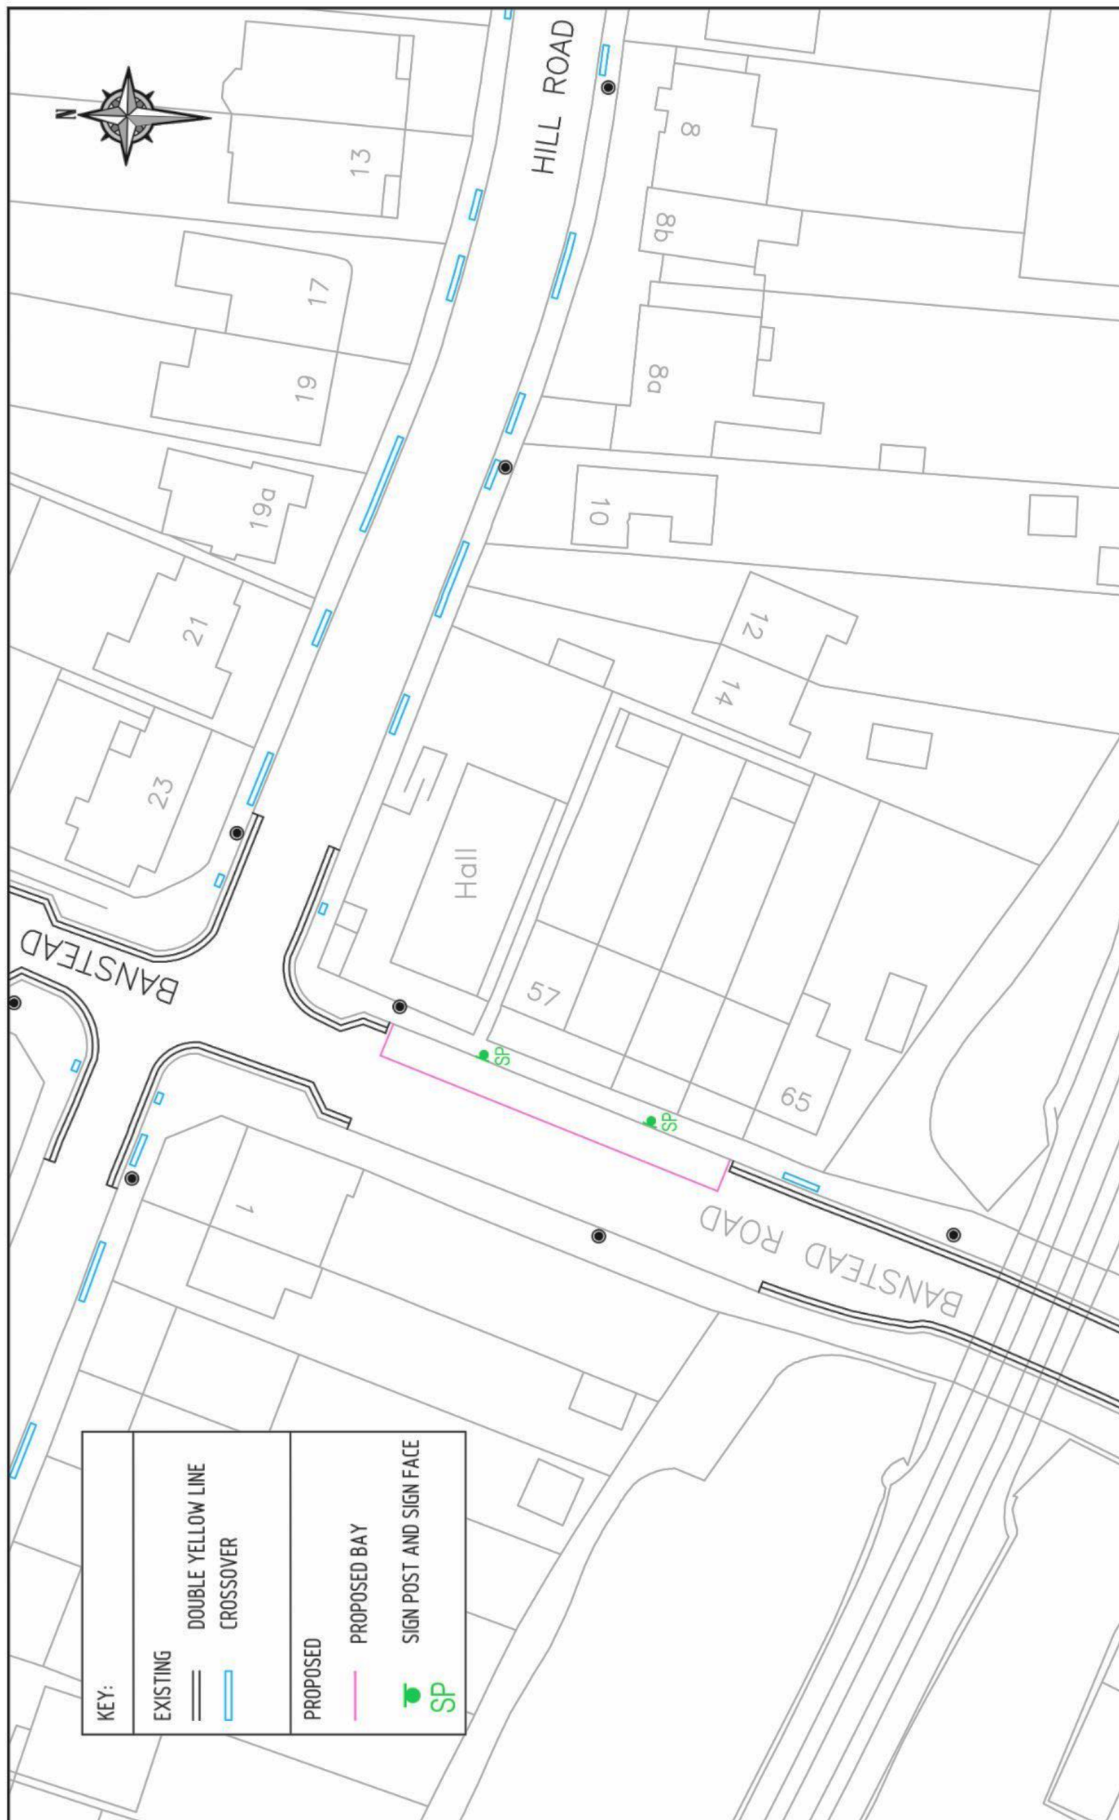

This is your first chance to let us know if you agree or disagree with the proposals, have another view or have further feedback about parking. You can provide feedback online: www.sutton.gov.uk/-/parking-review.

This informal stage of consultation will end on **4 December 2025**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any proposals to the final formal consultation stage.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
