APPENDIX 3 – SUMMARY OF ENGAGEMENT WITH SECURE TENANTS SUBJECT TO POSSESSION PROCEEDINGS

5 Elm Grove, Sutton, Surrey, SM1 4EU
is a secure tenant, who lives on the second floor, in a one bedroom flat on Elm Grove. He has lived at the property since and with an and despite numerous efforts to contact him, in writing, via home visits through telephone calls and text messages he has not responded sufficiently to enable the Council to rehouse him.
Officers did manage to make contact with him in October 2024 in order to gain access to his property to carry out an annual gas safety check. The Council had previously secured an injunction against due to his failure to provide access in previous years, therefore was able to gain access through the use of the injunction. It was only through this approach that responded to allow access for the compliance check, enabling officers from the Housing Regeneration team to take the opportunity to discuss the regeneration and rehousing options to and to provide assistance in helping him to complete his Housing Application on 28 October 2024.
Under his Housing Application, housing needs include a replacement one bedroom property, either a Council or Housing association property in Sutton, whilst he has also stipulated that the areas he would prefer to move to in the borough would include , including a preference for the area in .
The Council has used various means of communication to try and engage with but he has still not responded sufficiently to enable the Council to help him move or actively bid on any accommodation himself. As a result, a Notice of Seeking Possession was served on him on 16 October 2024, to begin the process to recover possession of the property under Ground 10. The Notice expired on 18 November 2024 and Possession Proceedings were then issued to the Court on 27th December 2024.
The Council has continued to try and contact and identify alternative accommodation for him to move to. Between November 2024 and March 2025 has been nominated to 6 different properties in the borough, but has failed to respond on 5 occasions, whilst declining the opportunity to view the other.
On 12 February 2025, a member of the Council's Housing Regeneration team saw on the estate during a site visit, where she informed him that the Council had been trying to contact him for several months, which he acknowledged. It was explained that the Council had made a number of suitable offers of accommodation to him based on his housing needs and preferences but had received no response from him other than a text message to decline the property at however when asked about his lack of engagement he wasn't able to provide a satisfactory reason for his lack of engagement and instead stated that he was still trying to get his head around things. The Council has also looked for assistance in this matter from the Elm Grove Independent Residents Advisor

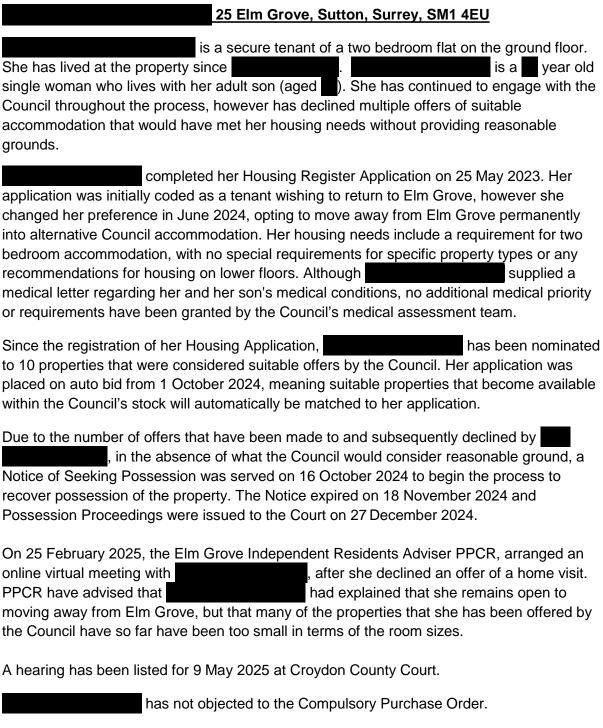

PPCR, who have more recently attempted to make contact with PPCR have left several voicemail messages and emails for him and carried out a home visit on 24 February 2025, however there has been no contact or response received.

A Court hearing has been listed for 25 April 2025 at Croydon County Court.

has not objected to the Compulsory Purchase Order.
