Guidance notes

1. This form is to be used to apply for a Licensed Premises Gaming Machine Permit under the Gambling Act 2005, to authorise the provision of 3 or more machines within the specified premises. If 2 or less machines are to be provided, the Premises Licence Holder may instead wish to notify the licensing authority of their intent to use the automatic entitlement under section 282 of the Act.
2. The premises must:
 - a. Be licensed under the Licensing Act 2003 to sell alcohol for consumption on the premises,
 - b. Not be subject to any licence requirements that alcohol is to be served only with food, and
 - c. Have a bar for serving alcohol to customers on the premises.
3. The gaming machines must be located on these licensed premises.
4. The 'Premises Licence Holder' is the person(s) or organisation that holds the Premises Licence, authorising the supply of alcohol at the premises concerned under the Licensing Act 2003. In the case of an application to transfer an existing Licensed Premises Gaming Machine Permit, the new licence-holders details should be entered in this section.
5. There is no statutory limit to the number of machines that may be applied for although the licensing authority has some discretion in this regard. It should also be noted that the licensing authority can cancel the permit or vary the number of machines should the premises be mainly used for making gaming machines available for use on the premises.
6. When making an application for the transfer of a Licensed Premises Gaming Machine Permit, the applicant must also have applied to the licensing authority for the transfer of the Premises Licence (issued under Licensing Act 2003) in accordance with section 42 or 50 of that Act, or be making such application at the same time.
7. The permit's duration is indefinite as it is linked to the Licensing Act 2003 Premises Licence. However, should the Premises Licence cease to have effect, the permit will also cease to have effect. Should the Premises Licence be transferred to a new holder, the permit will cease to have effect until such time as the new holder has successfully applied to have the permit transferred into his name.
8. All alcohol-licensed premises which provide gaming machines for use on the premises must comply with any relevant Code of Practice issued by the Gambling Commission under S.24 of the Gambling Act 2005. The Gaming Machine Code of Practice for alcohol-licensed premises is available via the Gambling Commission's website, www.gamblingcommission.gov.uk
9. A first annual fee is payable within 30 days of a new permit taking effect (where the permit commences immediately upon issue), and further annual fees are then payable before each anniversary of the date of issue of the permit. The amount of each annual fee is £50.00. Failure to pay annual fees may result in the cancellation of the permit.
10. The licensing authority must notify the applicant of its grant / refusal of the application for a permit as soon as is reasonable practicable after that decision to grant / refuse has been made.
