## Section 18 of 21

### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a)General –all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We will be running the Challenge 25 scheme. Staff will be fully trained to ensure that alcohol is consumed legally and safely, checking ID for any person who looks under the age of 25 years.

A behavioural code setting out expectations of respecting other customers will be part of our staff induction. Any group or individual who does not behave in accordance with that (anti-social, threatening, intimidating behaviour) will be refused service, and if necessary asked to leave.

We will be selling craft beers and premium drinks only and not having any drinks deals to discourage any binge drinking. This is a 'Proms in the Park' type event.

We are all members of the local pub watch scheme and are aware of any possible problems that other licensed businesses have experienced and to support each other and the local police.

b)The prevention of crime and disorder

All instances of crime and disorder shall be reported to the police. An incident book shall be used to record all instances of public disorder and incidents at the premises.

The holder of the premises licence shall subscribe to and participate fully in the local pub watch scheme.

We will have SIA registered security staff manning entrances/exits to the event on the day as well as extra security roaming the site to prevent crime and disorder. We will also have a radio link to the close by high street to be aware of any potential anti social behaviour.

Continued from previous page...

The Log-book shall be made available for inspection by authorised officers.  
We will have a strict policy on refusing service should behaviour be in any way anti-social, threatening, dangerous to either themselves or others.

c)Public safety

All exit routes shall be kept unobstructed and free of trip hazards and clearly identified.

All exits doors shall be maintained easily operable without the use of a key, card, code or similar means.

All staff will be trained how to evacuate themselves and customers in the event of a fire or an emergency situation.

d)The prevention of public nuisance

All amplified sound for the event will be controlled and maintained by experienced sound professionals in outdoor events, with a suitable sound system which is of a high quality. All levels shall be monitored and stage times kept to as to not disturb local residents late at night and all residents will be notified a minimum of a fortnight before the event.

The contact telephone number for the premises duty manager shall be displayed inside the premises or immediately outside the premises such that it is clearly visible from outside without the need to enter the premises.

The licensee shall devise a dispersal plan for evening events to be made available on request to reasonable authorities.

The licensee shall ensure that all staff, including Door Supervisors, shall be trained to carry out these tasks and to facilitate effective crowd dispersal at the end of any given evening, and ensure that they have signed a staff record form to verify that they have been trained in these process.

e)The protection of children from harm

The licensee shall put arrangements in place to ensure that before serving alcohol to young persons, staff ask to see accredited proof of age cards e.g. Citizencard, a Passport, or UK Driving Licence bearing the photograph and date of birth of the bearer.

Where the sale or supply of alcohol is taking place employees of the premises must request sight of evidence of the age of any person appearing to be under 25 years of age (Challenge 25). Such evidence may include a driving licence or passport.

We will also be operating a refusals book to record any sales that were refused:

- a)A refusals book to record every instance that sales of alcohol are refused shall be maintained.
- b)The refusals book shall document the date and time a refusal of sale is made and the member of staff refusing the sale.
- c)The refusal book shall be available for inspection by the police or authorised local authority officers

The licensee shall ensure that staff are trained about age restricted products and ensure that they sign to confirm that they have understood the training. The licensee shall keep records of training and instruction given to staff. The premises will display and maintain appropriate signage advising customers of the contact details of the Designated Premises Supervisor.

We will be heavily promoting this festival as a family friendly event and expect to have a similar clientele to last year which were made up predominantly of local families. We will ask parents to supervise their children.

We also have a Safeguarding Children & a Safeguarding Adults policy and all staff & event staff are briefed on both, alongside our emergency evacuation policies and procedures.

## NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

### Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:  
does not have the right to live and work in the UK; or  
is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### Documents which demonstrate entitlement to work in the UK

An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.

A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.

A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.

A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.

A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.

A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.

A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.

A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.

A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.

Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-

evidence of the applicant's own identity –such as a passport,  
evidence of their relationship with the European Economic Area family member –e.g. a marriage certificate, civil partnership certificate or birth certificate, and  
evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

- (i) working e.g. employment contract, wage slips, letter from the employer,
- (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
- (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
- (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

**Continued from previous page...**

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
