Dear Resident,

Proposed parking changes for Queen's Road

We're writing to you as part of our ongoing review of parking in Sutton.

Parking remains one of the issues of most concern to residents in Sutton and we have received many requests for a review of parking arrangements across the borough.

Proposal for Queen's Road

Following reports received from the emergency services regarding obstructive parking we are proposing two sections of double yellow lines.

Also, following requests from residents to increase parking capacity where possible, and to offset the potential loss of available parking due to the aforementioned double yellow lines, we are proposing to reduce the operational times of the 2 existing disabled bays outside Wallington Baptist Church. **(see Map on the back of this letter).**

Have your say

This is your first chance to let us know if you agree or disagree with the proposals, have another view or have further feedback about parking. You can provide feedback online: www.sutton.gov.uk/-/parking-review.

This informal stage of consultation will end on **4 December 2025**. We will review the feedback and speak with ward councillors before a decision is made whether to progress any proposals to the final formal consultation stage.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
