Dear Resident,

Proposed parking changes for Hackbridge

Following a consultation in October 2023, we are now moving to a final consultation about parking proposals in your area.

Park Road and Wandle Road

Following requests from residents we are proposing to introduce double yellow lines (outside Nos 1-11 and Nos 4-6) Wandle Road and opposite No 14 Park Road to assist with access issues **(see Map on the back of this letter)**.

Have your say

You can provide feedback online: sutton.gov.uk/-/parking-review

This formal stage of consultation will end on **5 December 2024**.

We will review the feedback and speak with ward councillors before implementing any formal proposals for changes.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Further parking changes

In addition to this consultation, we are also updating residents that we will shortly be replacing the kerb opposite Nos 19-53 Wandle Road to make it easier to park with two wheels on the footway.
