The POD offers a safe and welcoming space for families with children who find themselves living in temporary or emergency accommodation. It serves as a community hub where families can come together, share experiences, and find support in a warm and understanding environment.

Support & Advice on;

- Income and benefits
- Financial advice and guidance
- Children's health advice (aged 0-19) from Sutton's School Nursing and the Health Visiting teams.
- Health and wellbeing
- Domestic abuse services
- Social prescribing to help combat isolation
- Link workers on hand to offer 1:1 support

While parents unwind, children have the chance to engage in play under the supervision of a play worker. This allows children to socialise, learn, and explore in a safe and structured environment.
