Dear Resident,

Proposed parking changes for Trent Way

Further to our informal consultation we are now commencing a final consultation regarding proposed parking changes for your street.

Our previous proposal for double yellow lines, which was in response to local requests to address obstruction issues, has been reduced based on the feedback received. We are no longer pursuing the original plan.

Proposal for Trent Way

Following local requests we are proposing to add double yellow lines at two locations due to obstructive parking within the cul-de-sac **(see detailed map on the back of this letter)**.

Have your say

This is your final chance to let us know if you agree or disagree with the formal proposals or have another view.

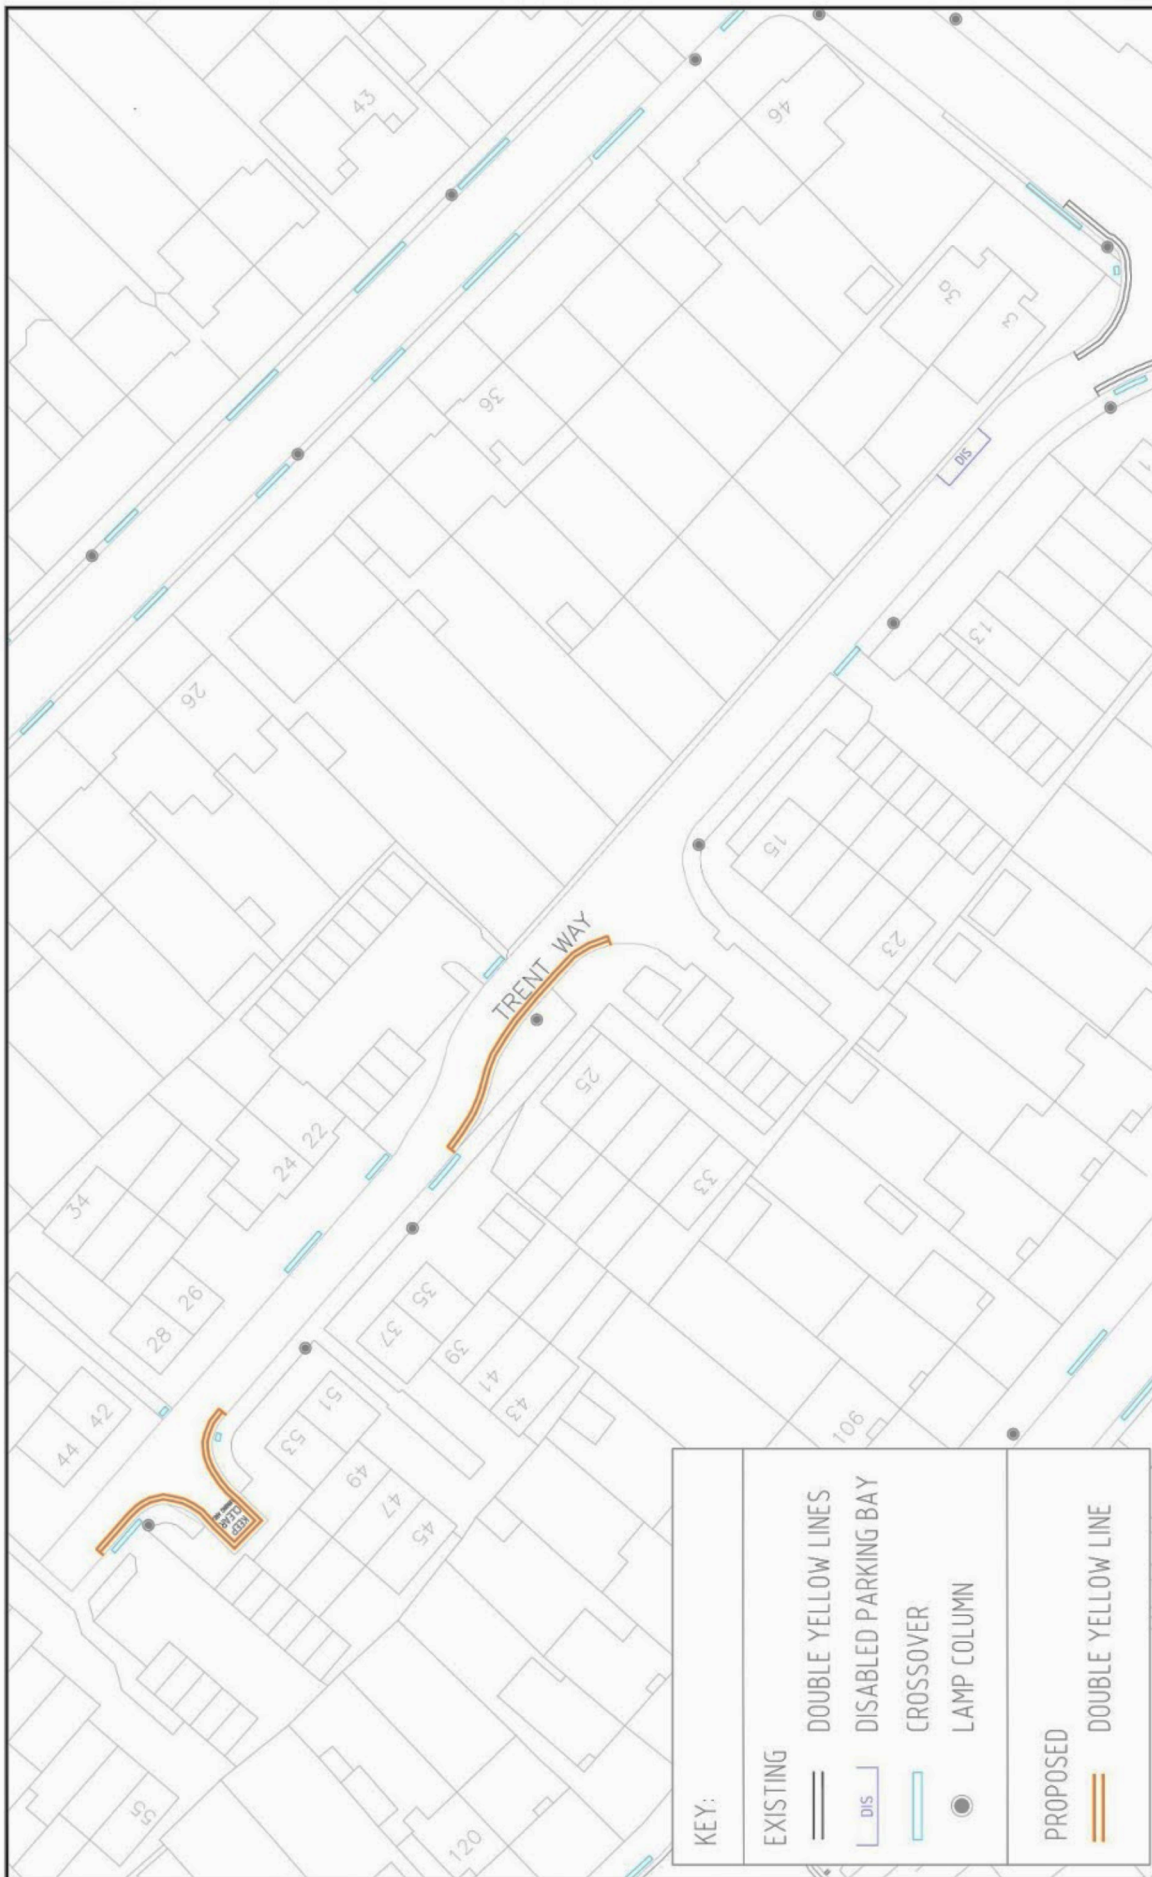

You can provide feedback online: www.sutton.gov.uk/-/parking-review.

This formal stage of consultation will end on 20 November 2025.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services
