Date: 12 June 2025

Dear Resident,

Proposed parking changes for Park Lane

Following our informal consultation in March 2025 we are now moving to a final consultation about proposed parking changes for your street.

Proposal for Park Lane

Following feedback from the informal consultation we have amended the proposals and are now consulting on plans for a smaller controlled parking zone with dedicated permit bays in Park Lane **(see detailed map on the back of this letter)**.

The proposed Park Lane CPZ would operate Monday-Saturday 8am to 6.30pm.

Only vehicles with valid parking permits would be permitted to use the parking bays during the operating hours of the CPZ. Permits would only be available to residents within the proposed zone highlighted in green on the enclosed map **(see our website for more information on CPZs www.sutton.gov.uk/parkingpermits)**.

Have your say

This is your final chance to let us know if you agree or disagree with the proposals or have another view. You can provide feedback online: sutton.gov.uk/-/parking-review

This consultation will end on **3 July 2025**.

If you do not have access to the internet, you can provide your feedback in writing to Parking Strategy Review, Highways & Transport, Civic Office, St Nicholas Way, Sutton, SM1 1EA.

Yours faithfully,

Kevin Williams
Principal Engineer, Kingston & Sutton Shared Environment Services

The map illustrates the proposed controlled parking zone (CPZ) on Park Lane. The CPZ is defined by a dashed green line. A blue line indicates the proposed entry point to the CPZ. A red dot marks the proposed sign location. A red line indicates the proposed sign location on the existing lamp column. A red line indicates the proposed sign location on the existing lamp column. A red line indicates the proposed sign location on the existing lamp column.
