

## **Sutton Community Schools**

### **Admission Arrangements for Entry in 2015/2016**

This document sets out the admission arrangements for the community infant, junior, primary and secondary schools in Sutton for entry in 2015/2016.

#### **1. General Arrangements**

##### **1.1 Entry to Nursery**

All of the infant and primary schools named in 3.1 and 3.2 have nursery provision on the same site. However, attendance in the nursery does not give priority for a place in the Reception class of that school, and a separate application must be made.

Children will be eligible for consideration for entry to nursery from the term after their third birthday.

##### **1.2 Entry to Reception in Community Infant and Primary Schools**

Sutton primary schools will offer full time education to children from the September before the fifth birthday. Parents may request to defer their child's entry to Reception, but not beyond statutory school age. If the parent of a summer born child wishes to defer their child's entry until the following September, and this is agreed, they will be taking a Year 1 place; they may not defer and then take a Reception place the next academic year. However, parents can make a fresh application and be considered for Reception in the following year's intake (see 1.3 below).

Parents may also request to stagger entry from part-time to full time attendance. Individual requests will be considered by the relevant school.

Where the child is attending the school nursery or co-located children's centre, a separate application must be made for entry into Reception Class. Places are allocated according to the admissions criteria shown below; no automatic entry or priority is given to children attending the school nursery or co-located children's centre.

##### **1.3 Admission of Children Outside Their Normal Age Group**

Parents wishing to apply for places outside the child's normal year group will have their application considered by each admissions authority they are applying for based on the circumstances of each case. Applicants should include relevant professional evidence for consideration, based in the individual needs of their child.

#### **2 Applications**

##### **2.1 Nursery**

Applications for nursery places in Sutton community infant and primary schools should be made to the London Borough of Sutton.

## 2.2 Primary (Reception) / Secondary (Year 7)

Sutton participates in the Pan-London Co-ordinated Admission Scheme for entry to Primary and Secondary School. Please see Sutton's Pan-London Scheme for further details regarding the application process.

## 2.3 Junior (Year 3)

Sutton participates in the Pan-London Co-ordinated Admission Scheme for entry to Primary and Secondary School. Please see Sutton's Pan-London Scheme for further details regarding the application process.

## 2.3 In-Year / Mid-Term

Applications for Sutton schools outside the normal points of entry to Reception, Junior and Secondary School (except sixth form) should be made to the London Borough of Sutton.

## 2.4 Post-16 Admissions to Stanley Park High

Applications should be made directly to the school.

## 3 Admission Numbers for Community Schools

Should any school convert to academy status prior to September 2015, their admission arrangements will apply as published below or as otherwise in their Funding Agreement.

The admission numbers below relate to the year group of normal entry to school (Reception, Infants (Reception), Junior (Year 3), Secondary School (Year 7)).

### 3.1 Community Primary Schools

## 4 Admissions and Oversubscription Criteria for Community Schools

### 4.1 Nursery

When a community school nursery is over-subscribed, applications for admission in 2015/2016 will be ranked against the following factors:

- i) Children who have reached the age of 3 years before 1 September 2015
- ii) Children who have reached the age of 3 years before 1 January 2016
- iii) Children who have reached the age of 3 years before 1 April 2016

Within each of these bands, applications will be prioritised as below:

- a) Looked after children or previously looked after children (see notes at 4.4.1)
- b) Where there are professionally supported medical reasons or exceptional social reasons why a child should attend a particular nursery (see notes at 4.4.2).
- c) Where a sibling is already in the main school, or linked junior school (see sections 3.2 for details of linked schools), at the time of admission (see notes at 4.4.3)
- d) Straight line distance between the child's home address and the main school (see notes at 4.4.4)

Where oversubscription occurs in categories (a)-(c) above, the subsequent criterion will be applied as a tie-breaker. If oversubscription occurs in category (d), and home to

school distance is equal, rank order will be randomly generated by the Local Admissions System.

#### **4.2 Reception, Infants, Junior & Secondary School (Excluding Sixth Form)**

When a Community infant, primary or secondary school is over-subscribed for any year group (excluding sixth form), applications for entry in 2015/2016 will be ranked against the following factors:

- i) Looked after children or previously looked after children (see notes at 4.4.1)
- ii) **(Junior Schools Only)** All children who wish to transfer from the linked infants' school (see section 3.3 for details of linked schools).
- iii) Where there are professionally supported medical reasons or exceptional social reasons why a child should attend a particular school (see notes at 4.4.2).
- iv) Where a sibling is already in the main school, or linked infant/junior school (see sections 3.2 and 3.3 for details of linked schools), at the time of admission (see notes at 4.4.3)
- v) Straight line distance between the child's home address and the main school (see notes at 4.4.4)

Please note children with a **statement of special educational needs** naming a particular school will be admitted before all other applicants. Admission numbers in section 3 will be adjusted to take this into account before the remaining places are offered to other applicants.

Where oversubscription occurs in categories (i)-(iv) above, the subsequent criterion will be applied as a tie-breaker. If oversubscription occurs in category (v), and home to school distance is equal, rank order will be randomly generated by the Local Admissions System. Where this applies to twins or other multiple births, the school will consider if it can accommodate the additional child(ren) on a case by case basis.

#### **4.3 Post-16 Admissions to Stanley Park High**

##### **Post-16 Admissions to Stanley Park High 2014-15**

Year 11 students currently at Stanley Park High and students in the appropriate age range studying elsewhere may apply to Stanley Park High for their Post 16 studies. Whilst the entry criteria for external applicants are the same as those for our current Year 11 students, there are only 50 places available for external applicants. Additional places may be available depending on the level of uptake of places by our current students. Where there are more external applicants than places, applicants will be considered according to the academic qualifications that the student currently holds.

The minimum requirement for joining Stanley Park High at Post 16 is 5 GCSEs at Grade C or above, preferably including Maths and/or English. Courses which carry GCSE equivalency will be counted as 1 GCSE regardless of the course studied. For example a BTEC Extended Certificate at Pass, Merit or Distinction will count as 1 GCSE at A\*-C. All students who do not obtain a C grade in Maths or English will be required to study these subjects during Year 12 and resit the GCSE qualification if appropriate. There are

also specific requirements for individual subjects which are outlined in the Post 16 course brochure.

Continuation onto Year 13 A Level courses will be dependent on results obtained at the end of Year 12. If students have not successfully met the minimum entry requirements for an A2 subject, an alternative course will be offered. To progress onto the A2 course please see the prospectus for minimum grade required.

The Post 16 course brochure and application form can be downloaded from our website. Applications should be returned to the school by the 18th December. Late applications will be considered but the full range of subjects cannot be guaranteed as individual courses may be full.

## **4.4 Notes**

### **4.4.1 Looked After Children or Previously Looked After Children**

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in section 22(1) of the Children Act 1989). A previously looked after child is a child who was adopted, or subject to a residence order, or special guardianship order, immediately following having been looked after.

### **4.4.2 Professionally Supported Medical Reasons or Exceptional Social Reasons**

Applicants wishing to be considered under this criterion must supply professional evidence supporting their case at the time of application. Providing evidence does not guarantee priority under this criterion; the School Admissions Team will consider if the evidence provided demonstrates that the child must attend a particular school and cannot reasonably attend an alternative school.

Applicants will not be individually advised if their application has been prioritised under this criterion.

### **4.4.3 Siblings**

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, who is living as part of the same family unit at the same address, Monday to Friday.

Siblings in Year 6 at the time of an application to start Reception in September 2015 will not qualify as a sibling. Where a sibling is in Years 11 or 12 at the time of application to start year 7 in September 2015, they will be deemed as being in the school at the time of admission, unless the parent has specifically expressed that they will not be continuing in to the following academic year.

### **4.4.4 Straight Line Distance**

Distances will be measured in a straight line from the child's home address, with those living closer to the school receiving the higher priority. The point within the school to be used in any distance calculation will be the main entrance to the school building. All distances will be measured by the computerised Geographical Information System maintained by Sutton Admissions team.

The child's home address excludes any business, relative's or childminder's address and must be the applicant's normal place of residence. If there is a genuine equal share custody arrangement between the two parents, the address that will be used will normally be the address of the parent who is claiming Child Benefit for the child, however all available evidence will be considered.

The address to be used for the initial allocation of places to Reception, Infants (Reception), Junior (Year 3), and Secondary School (Year 7) will be the child's address at the closing date for application. Changes of address up to dates stated in the scheme may be considered if there are exceptional reasons behind the change, such as if a family has just moved to the area, or has returned from abroad. The address to be used for waiting lists, after the initial allocation, and for mid-term admissions will be the child's current address. Any offer is conditional upon the child living at the appropriate address on the relevant date. Parents have a responsibility to notify the Local Authority of any change of address.

Please note:

- Applicants in short term rented accommodation may be asked to provide evidence of their current and former housing arrangements.
- Where an applicant has ownership of a property, that should be used for the purposes of school admission, and the applicant must provide evidence and reasons for the use of any other address.
- Any applicant who moves from a rented or temporary address in advance of their child taking up their school place may have their place withdrawn if it is found the family have returned to an address already in their ownership.
- The authority will investigate whether the place should be withdrawn if the pupil is not resident at the application address at the time of the September entry point.
- The authority will always investigate a case where the application address has previously been used to gain a school place fraudulently.
- Where it is found an address has been used for the purposes of admission where the child is not ordinarily resident, the application and any place offered will be withdrawn.
- An offer found to have been gained fraudulently will be withdrawn. This may also be the case where the child has started the school.
- In some cases, places may not be withdrawn once a child has been attending the school for a term or more. In these circumstances future sibling applications will not be given sibling priority for places and will be considered under the next appropriate criterion.

## **5 Waiting lists**

Where there are more applicants than places available, waiting lists will operate for each year group according to the oversubscription criteria shown above and without regard to the date the application was received or when a child's name was added to the waiting list. Children with statements of special educational need will take priority over children on a waiting list.

Waiting lists for entry to Reception, Junior and Secondary school in September 2015 will be maintained strictly in accordance with the admissions criteria for the school until the last day of the Autumn term. Parents wishing to remain on the waiting list after this date

must write to Sutton Local Authority by 31 December 2015, stating their wish and providing their child's name, date of birth and the name of their current school.

Applications for Year 7 from 1 September 2015 and for other year groups will be considered through the mid-term admission process. For mid-term applications, children with statements of special educational need, those to be admitted through the borough's Fair Access Protocol, looked after children and previously looked after children (see notes at 4.4.1) will take priority over children on a waiting list. Waiting lists are then held according to the remaining admissions criteria for the school.

Mid-term waiting lists will be reviewed at the end of each academic year; Parents wishing to remain on the waiting list after this time must write to Sutton Local Authority by 1 September 2016, stating their wish and providing their child's name, date of birth and the name of their current school.

Children applying for nursery who are not offered a place will be automatically added to that school's waiting list. Nursery waiting lists will be reviewed before being carried forward to the 2016/17 academic year, to confirm which autumn and spring born children wish to be considered for a place in the next academic year.

Nursery waiting list operation will be published in the Starting Nursery brochure.

## **6 Appeals**

Applicants who are not offered their first preference school will be given a right of appeal for all schools of a higher preference than the school offered. Outcome letters will give details of how to lodge an appeal.

There is no right of appeal against a decision not to offer a nursery place.
