Unprecedented funding cuts from central government since 2010 and increased pressure on services mean we have to save £74m from our annual budget by 2018/19. Our net budget requirement for 2016/17 is £154.4m. So far, we have saved £43m through increasing efficiency, sharing services with other boroughs, reducing services or finding other ways of delivering them.

We launched Sutton’s Future in July 2014 to encourage residents to get more involved in helping us make decisions, and this has helped us save £11m out of the £43m.

To save the remaining £31m we are going to have to change, reduce and stop more services. We continue to need your help in deciding which services should be kept and how they should be run, please visit www.sutton.gov.uk/suttonsfuture.

To help bridge the gap between the money we now receive from the Government, which will be £6.3m less in 2016/17 than in 2015/16, and how much our services cost to run we have decided to increase council tax. In order to contribute towards the increasing cost of adult social care, which has come about due to growing numbers of elderly and frail people with increasingly complex needs, the Government has allowed, and we have agreed, to increase council tax by 2% (£1.64m) specifically to help pay for adult social care which will cost a total of £58.5m in 2016/17. In addition, the council has decided to increase council tax for general purposes by 1.99% (£1.61m) in order to help us retain key services which have a significant impact on people’s lives.

My Account and Self Serve
You can use this service to tell us if you move house, change your name, want to claim a single person’s discount or set up a direct debit.

This is quick, easy and secure, whether you are an owner, tenant, landlord or letting agent. Our records will be updated and a new bill automatically sent or emailed to you (see MyAccount) within 14 days.

You can notify us of the following:

- A move into, out of, or within the London Borough of Sutton. Only use this service if your whole household is moving
- You are the sole occupier of a property and wish to claim a single person’s discount
- The name(s) on your council tax bill are incomplete, incorrect or misspelt
- You’d like to set up a direct debit with us

If you are already a council tax payer in the London Borough of Sutton you will need to have your existing council tax bill in front of you to help answer some of the questions.

To use this service please visit www.sutton.gov.uk/counciltaxselfserve

We spend £110m on education in our schools and £76.9m goes to housing benefit claimants. These are funded by central government and we’re not allowed to change the amounts.

Excluding these items our gross spend on services is £203.8m. This is funded partly through specific government grants, fees and charges (£49.4m) and core grants (£9.5m) leaving a net cost of £144.9m. (See table on page 6)

Sutton gets £58.0m through Revenue Support, Top up Grants and Retained Business Rates and with a surplus from the collection fund £1.5m this means in 2016/17 we will need to raise £85.4m in council tax to cover our net costs.

Out of the total net cost of £144.9m, we put the largest single amount £58.5m (or £295 per resident) into adult social care. This looks after some of Sutton’s most vulnerable people when it pays for care at home, in the community or, for those who need it, in residential and nursing care.

The other main areas of spend are Children, Young People and Learning, where we spend £47.9m on protecting and supporting children, and Environment, Housing and Regeneration where we spend £36.8m on services including waste and recycling, highways maintenance and parks.

Our net budget requirement is £144.9m (£154.4m spend less core grants of £9.5m).

### How much will I pay from April 2016?

The amount of council tax you pay is based upon a valuation of your property that was set by the Valuation Office Agency in 1991, which allocates each dwelling into one of eight bands. Your council tax bill shows which band applies to your dwelling.

### Fighting Fraud

We are working hard to make sure that council tax payers aren’t carrying the burden of those people who don’t pay their bills or fraudulently claim benefits. Ultimately, fraud diverts money away from front line services and council budgets.

In response to the risk of fraud, we have a range of measures in place that identify potential fraud and we also work closely with the police and other partners in the public sector to ensure that immediate action is taken where fraud is detected, offenders are prosecuted and losses are recovered.
Housing benefit and council tax reduction

If you are on a low income, working part time or your wages have decreased recently you may be entitled to Housing Benefit to help pay your rent and/or a Council Tax Reduction for assistance with paying your council tax. To find out if you are entitled go to www.sutton.gov.uk/benefitcalculator and use our online calculator.

Once you have completed our online benefit calculator and completed our call back request form, our staff will contact you to take details of your claim.

If you rent from a private landlord we assess your claim for Housing Benefit using Local Housing Allowance (LHA) rates set by the Valuation Office Agency. The rates are set every April for the year ahead and the amount used to assess your claim also depends on the number of bedrooms your household needs. To find out how many rooms you would be entitled to claim for and your LHA rate, please go to https://lha-direct.voa.gov.uk/bedroomcalculator.aspx.

If you rent from a Local Authority, registered Housing Association or other social landlord and claim Housing Benefit there is a limit to the number of bedrooms we pay for in respect of working age people. Please visit www.sutton.gov.uk/welfarereform for more information.

Council Tax Reduction Scheme

The Council Tax Reduction Scheme replaced Council Tax Benefit from 1 April 2013. The scheme provides financial assistance to council tax payers on a low income by reducing the amount of council tax they have to pay. The level of support provided under the Council Tax Reduction Scheme may be lower for some customers than they previously received under the Council Tax Benefit scheme. To find out more about Sutton’s scheme please go to www.sutton.gov.uk/counciltaxreduction

Extra help available for rent and council tax

If you are entitled to Housing Benefit, Universal Credit or a Council Tax Reduction and are still struggling to meet your rent or council tax payments, you can apply for a discretionary housing payment (DHP) for your rent and/or a Hardship Fund payment for council tax. These payments are designed to help those who need further help.

Our budget is limited and will not be able to meet all requests. Our DHP/Hardship Fund Policy prioritises help to keep people in employment, help the disabled and vulnerable in the community and takes account of levels of income and expenditure.

For more information, please visit www.sutton.gov.uk/DHP

Universal Credit

Universal Credit is a new benefit that supports people who are on a low income or out of work, and helps ensure that you are better off in work than on benefits. It is being introduced in stages and is on track to be delivered nationally for all types of claimants from May 2016, completing in June 2018.

Universal Credit is claimed instead of:
- income-based Jobseekers’ Allowance
- income-related Employment and Support Allowance
- Income Support
- Housing Benefit
- Child Tax Credits
- Working Tax Credits

Sutton has been part of a controlled test of the enhanced Universal Credit Digital Service that began in the SM5 2 postcode area. The test has been gradually expanding to other parts of the borough. Therefore, if your circumstances change and dependent on where you live you may have to claim help with your housing costs (rent) through Universal Credit.

If you are over the pension age or receiving pension credits you do not need to claim Universal Credit. You will carry on claiming your benefits as usual.

Please visit www.sutton.gov.uk/universalcredit to find out more.
Council tax exemptions and discounts

Depending on your circumstances, your council tax can be reduced through discounts and exemptions, or you may be entitled to help through the Council Tax Reduction scheme.

Exempt and empty properties

Changes to legislation, which came into force from 1 April 2013, mean empty and unfurnished properties including those requiring or undergoing major repairs or structural alterations are no longer exempt from council tax. Properties that remain empty (vacant and substantially unfurnished) for 2 years are subject to a premium which means you will be asked to pay 150% of the full council tax bill, which will be issued at the time the premium becomes payable. However, some properties are still eligible for an exemption. For further details or to make an online application visit www.sutton.gov.uk/counciltax

Discounts

You may be eligible for a discount if you live alone (excluding any children under 18) or if you or someone you live with:

- has a disability and your home has been adapted to meet their needs
- is a full time student, student nurse, apprentice or Youth Training trainee
- is severely mentally impaired, e.g. dementia, Alzheimer’s disease
- is a person caring for someone who is not a spouse, partner or child under 18

For further details on all discounts, including how to make an application, visit www.sutton.gov.uk/counciltax

Crisis loans and grants scheme

The council has a scheme of support for households on low incomes in receipt of benefits who are suffering hardship or under exceptional pressure.

If eligible, support may be awarded in the form of food vouchers or a voucher to meet utility payments. In certain circumstances, the council can also make awards for beds, fridges, fridge freezers and cookers. If a resident is re-settling into the community a broader range of furniture may be available on an individual basis.

Important information

Some discounts/exemptions are time limited. If your bill shows an exemption or discount to the end of the financial year you will be issued with a revised bill at the time the exemption or discount expires.

If your bill indicates that an exemption or discount has been allowed and you are no longer entitled, or your circumstances change so you are no longer entitled, you must tell the council tax team within 21 days. If you fail to do so you may be required to pay a penalty.
