“the Home LA”  the LA in which the applicant/parent/carer is resident

PAN LONDON CO-ORDINATED ADMISSIONS SYSTEM

Scheme for Co-ordination of Admissions to Year 7 in 2018/19

This scheme is based on the template pan-London co-ordinated scheme. Local elements of the scheme are shown in italics

Applications

1. This LA will advise home LAs of their resident pupils on the roll of this LA’s maintained primary schools and academies who are eligible to transfer to secondary school in the forthcoming academic year.

2. Applications from residents of this LA will be made on this LA’s Common Application Form, which will be available and able to be submitted on-line. This will include all the fields and information specified in Schedule 1 to this Template LA Scheme. These will be supplemented by any additional fields and information which are deemed necessary by this LA to enable the admission authorities in the LA area to apply their published oversubscription criteria.

3. This LA will take all reasonable steps to ensure that every parent/carer who is resident in this LA and has a child in their last year of primary education within a maintained school, either in this LA or any other maintaining LA, may access a copy of this LA’s admissions booklet and Common Application Form, including details of how to apply online. The admissions booklet will also be available to parents/carers who do not live in this LA, and will include information on how they can access their home LA’s Common Application Form if unable to apply online.

4. The admission authorities within this LA will not use supplementary information forms except where the information available through the Common Application Form is insufficient for consideration of the application against the published oversubscription criteria. Where supplementary information forms are used by the admissions authorities within this LA, the LA will seek to ensure that these only collect information which is required by the published oversubscription criteria, in accordance with paragraph 2.4 of the School Admissions Code 2014.

5. Where supplementary information forms are used by admission authorities in this LA, they will be available on this LA’s website. Such forms will advise parents that they must also complete their home LA’s Common Application Form. This LA’s admission booklet and website will indicate which schools in this LA require supplementary forms to be completed and where they can be obtained.

6. Where an admission authority in this LA receives a supplementary information form, this LA will not consider it to be a valid application unless the parent/carer has also listed the school on their home LA’s Common Application Form, in accordance with paragraph 2.3 of the School Admissions Code 2014.

7. *Applicants will be able to express a preference for six maintained secondary schools or Academies within and/or outside the Home LA.

8. The order of preference given on the Common Application Form will not be revealed to a school within the area of this LA in accordance with paragraph 1.9 of the School Admissions Code 2014. However, where a parent resident in this LA expresses a
preference for schools in the area of another LA, the order of preference for that LA’s schools will be revealed to that LA in order that it can determine the highest ranked preference in cases where an applicant is eligible for a place at more than one school in that LA’s area.

9. This LA undertakes to carry out the address verification process as set out in its entry in LIAAG Address Verification Register. This will in all cases include validation of resident applicants against this LA’s primary school data and the further investigation of any discrepancy. Where this LA is not satisfied as to the validity of an address of an applicant whose preference has been sent to a maintaining LA, it will advise the maintaining LA no later than 11 December 2017.

10. This LA will confirm the status of any resident child for whom it receives a Common Application Form stating s/he is a 'Child Looked After' and will provide evidence to the maintaining LA in respect of a preference for a school in its area by 14 November 2017.

11. This LA will advise a maintaining LA of the reason for any preference expressed for a school in its area, in respect of a resident child born outside of the correct age cohort, and will forward any supporting documentation to the maintaining LA by 14 November 2017.

Processing

12. Applicants resident within this LA must return the Common Application Form, which will be available and able to be submitted on-line, to this LA by 31 October 2017. However, this LA will publish information which encourages applicants to submit their application by 20 October 2017 (i.e. the Friday before half term), to allow it sufficient time to process and check all applications before the mandatory date when data must be sent to the PLR.

13. Application data relating to all preferences for schools in the area of a participating LA, which have been expressed within the terms of this LA’s scheme, will be up-loaded to the PLR by 14 November 2017. Supplementary information provided with the Common Application Form will be sent to maintaining LAs by the same date.

14. *This LA will notify each admission authority school within its area of every nomination that has been made for that school, forwarding them all relevant details from the Common Application Form by 21 November 2017. Between 21 November 2017 and 12 January 2018, admission authority schools in this LA will assess and rank their applications according to their admissions policies, and send a full ranked list to the LA.

15. *This LA will accept late applications only if they are late for a good reason, deciding each case on its own merits.

16. Where such applications contain preferences for schools in other LAs, this LA will forward the details to maintaining LAs via the PLR as they are received. This LA will accept late applications which are considered to be on time within the terms of the home LA’s scheme.

17. The latest date for the upload to the PLR of late applications which are considered to be on-time within the terms of the home LA’s scheme is 11 December 2017.

18. Where an applicant moves from one participating home LA to another after submitting an on-time application under the terms of the former home LA’s scheme, the new home LA will accept the application as on-time up to 11 December 2017, on the basis that an on-time application already exists within the Pan-London system.
19. This LA will participate in the application data checking exercise scheduled between 12 December 2017 and 2 January 2018 in the Pan-London timetable in Schedule 3A.

20. All preferences for schools within this LA will be considered by the relevant admission authorities without reference to rank order in accordance with paragraphs 1.9 of the School Admissions Code 2014. When the admission authorities within this LA have provided a list of applicants in criteria order to this LA, this LA shall, for each applicant to its schools for whom more than one potential offer is available, use the highest ranked preference to decide which single potential offer to make. [This is the ‘Equal Preference System’.]

21. This LA will carry out all reasonable checks to ensure that pupil rankings are correctly held in its LAS before uploading data to the PLR.

22. This LA will upload the highest potential offer available to an applicant for a maintained school or academy in this LA to the PLR by 2 February 2018. The PLR will transmit the highest potential offer specified by the Maintaining LA to the Home LA.

23. The LAS of this LA will eliminate, as a Home LA, all but the highest ranked offer where an applicant has more than one potential offer across Maintaining LAs submitting information within deadline to the PLR. This will involve exchanges of preference outcomes between the LAS and the PLR (in accordance with the iterative timetable published in the Business User Guide) which will continue until notification that a steady state has been achieved, or until 15 February 2018 if this is sooner.

24. This LA will not make an additional offer between the end of the iterative process and 1 March 2018 which may impact on an offer being made by another participating LA.

25. Notwithstanding paragraph 24, if an error is identified within the allocation of places at one of this LA’s schools, this LA will attempt to manually resolve the allocation to correct the error. Where this impacts on another LA (either as a home or maintaining LA) this LA will liaise with that LA to attempt to resolve the correct offer and any multiple offers which might occur. However, if another LA is unable to resolve a multiple offer, or if the impact is too far reaching, this LA will accept that the applicant(s) affected might receive a multiple offer.

26. This LA will participate in the offer data checking exercise scheduled between 16 and 22 February 2018 in the Pan-London timetable in Schedule 3A.

27. This LA will send a file to the E-Admissions portal with outcomes for all resident applicants who have applied online no later than 23 February 2018. (33 London LAs & Surrey only).

Offers

28. This LA will ensure, so far as is reasonably practical, that each resident applicant who cannot be offered a preference expressed on the Common Application Form, receives the offer of an alternative school place. Where schools in Sutton have places remaining following the PLR iterative offer process, these will be allocated to resident applicants with no offer of a school place. If there are insufficient places for all applicants without a school place, consideration will be given to vacancies in other LAs where there is agreement to offer such vacancies to Sutton residents.
29. This LA will inform all resident applicants of their highest offer of a school place and, where relevant, the reasons why higher preferences were not offered, whether they were for schools in the Home LA or in other participating LAs.

30. This LA’s outcome letter will include the information set out in Schedule 2.

31. On 1 March 2018, this LA will send by first class post notification of the outcome to resident applicants where online applications have not been made. Online applicants will be notified of outcomes on the evening of 1 March 2018.

32. *This LA will provide primary schools with destination data of its resident applicants by the end of the Summer term 2018.

Post Offer

33. This LA will request that resident applicants accept or decline the offer of a place by 15 March 2018, or within two weeks of the date of any subsequent offer. Sutton residents offered a first preference Sutton school will not be required to notify this LA of their acceptance.

34. Where an applicant resident in this LA accepts or declines a place in a school within the area of another LA by 15 March 2018, this LA will forward the information to the maintaining LA by 22 March 2018. Where such information is received from applicants after 15 March, this LA will pass it to the maintaining LA as it is received.

35. Where a place becomes available in an oversubscribed maintained school or academy in this LA’s area, it will be offered from a waiting list ordered in accordance with paragraph 2.14 of the School Admissions Code 2014.

36. When acting as a maintaining LA, this LA will inform the home LA, where different, of an offer for a maintained school or Academy in this LA’s area which can be made to an applicant resident in the home LA’s area, in order that the home LA can offer the place.

37. When acting as a maintaining LA, this LA and the admission authorities within it, will not inform an applicant resident in another LA that a place can be offered.

38. When acting as a home LA, this LA will offer a place at a maintained school or Academy in the area of another LA to an applicant resident in its area, provided that the school is ranked higher on the Common Application Form than any school already offered.

39. When acting as a home LA, when this LA is informed by a maintaining LA of an offer which can be made to an applicant resident in this LA’s area which is ranked lower on the Common Application Form than any school already offered, it will inform the maintaining LA that the offer will not be made.

40. When acting as a home LA, when this LA has agreed to a change of preference order for good reason, it will inform any maintaining LA affected by the change. In such cases, paragraphs 37 and 38 shall apply to the revised order of preferences.

41. When acting as a maintaining LA, this LA will inform the home LA, where different, of any change to an applicant’s offer status as soon as it occurs.
When acting as a maintaining LA, this LA will accept new applications (including additional preferences) from home LAs for maintained schools and academies in its area.

Admission authority schools will determine when their waiting lists expire, but this will be no earlier than the end of the Autumn term 2018.

After the end of the Autumn term, community school waiting lists will be cancelled. Existing applicants who wish to remain on the waiting list beyond this point may contact the LA in writing by 31 December 2018.

New applicants from 1 September 2018 must apply using the in-year application form.

Dear Parent,

Application for a Secondary / Primary School

I am writing to let you know the outcome of your application for a secondary/primary school. Your child has been offered a place at X School. The school will write to you with further details.

I am sorry that it was not possible for your child to be offered a place at any of the schools which you listed as a higher preference on your application form. For each of these schools there were more applications than places, and other applicants has a higher priority than your child under the school's published admission criteria.

Offers which could have been made for any schools which you placed lower in your preference list, were automatically withdrawn under the co-ordinated admission arrangements, as a higher preference has been offered.

If you would like more information about the reason that your child was not offered a place at any higher preference school, you should contact the admission authority that is responsible for admissions to the school within the next few days. Details of the different admission authorities for schools in the borough of X are attached to this letter. If the school is outside the borough of X, the admission authority will either be the borough in which the school is situated, or the school itself.

You have the right of appeal under the School Standards & Framework Act 1998 against the refusal of a place at any of the schools for which you have applied. If you wish to appeal, you must contact the admission authority for the school within the next few days to obtain the procedure and the date by which an appeal must be received by them.

Please would you confirm that you wish to accept the place at X School by completing the reply slip below. If you do not wish to accept the place, you will need to let me know what alternative arrangements you are making for your child’s education.

You must contact this office if you wish to apply for any other school, either in this borough or elsewhere.

[You can also request that your child’s name is placed on the waiting list for a school which was a higher preference on your application form than the school you have been offered. Please use the enclosed reply slip and return it to this office]. OR

{Your child’s name has been placed on the waiting list for any school which was a higher preference on your application form than the school you have been offered. If you need to find out your child’s position on the waiting list please contact the admission authority or the borough in which the school is situated}.

(One of the above bracketed paragraphs should be used depending on whether the LA automatically places children on a waiting list for higher preference schools).

Please return the reply slip to me by 15 March 2018 (sec) / 30 April 2018 (prim). If you have any questions about this letter, please contact me on ________________.

Yours sincerely

(First preference offer letters should include the paragraphs in italics only)
