You start filling your garden waste bin and we start emptying it every two weeks, including your collection day. We will provide all the information you need to use the service.

Sutton Council’s garden waste collection service is more popular than ever – 17,000 households now use it.

It really helps if you...

- Flatten cardboard boxes before putting them in the green wheelie bin
- Empty and rinse all containers before putting them in the green box
- Remove film lids from plastic pots, tubs and trays (put the film lids in your brown wheelie bin)
- Only place items that cannot be recycled in your brown wheelie bin - no food waste please
- On collection day, place your bins at the front edge of your property, close to the pavement but not on it
- For a complete list of what can and can’t be recycled, please visit: www.sutton.gov.uk/recycling

This calendar shows your revised collection dates where appropriate.

Collections will change over the Christmas and New Year period.

Your collection day is MONDAY

Please remember to put your bins out by 6am

* Based on a full year of 26 collections from one wheelie bin.

Visit kingston.gov.uk/garden_waste

It's really easy:

- recycling every two weeks.
- and delivery of your new garden waste wheelie bin (or bins) within two weeks
- (it’s great value - working out at just £2.50 per collection!)
