Have your garden waste collected

This calendar shows your revised collection dates where appropriate.

Collections will change over the Christmas and New Year period. This calendar shows your revised collection dates where appropriate.

It really helps if you...

- Flatten cardboard boxes before putting them in the green wheelie bin
- Empty and rinse all containers before putting them in the green box
- Remove film lids from plastic pots, tubs and trays (put the film lids in your brown wheelie bin)

Only place items that cannot be recycled in your brown wheelie bin - no food waste please

On collection day, place your bins at the front edge of your property, close to the pavement but not on it.
