

# Welcome to Sutton

Every year thousands of local people and visitors come to Sutton to enjoy the vibrant shopping centre, restaurants and bars.

With so many people to cater for all year round, the council has recognised the need for plenty of safe, clean toilets for people to use, and has teamed up with local businesses to provide access to more toilets which meet the needs of a wider range of people.

What is the Community Toilet Scheme?

The Community Toilet Scheme is a partnership between Sutton Council and local businesses to provide access to more clean and safe toilets.

How does the scheme work?

Members of the public can use the toilet facilities listed during the premises' opening hours. Purchase of goods or services is not required.

What about wheelchair access and baby changing facilities?

There are a number of toilets which offer wheelchair access and baby changing facilities. These have been clearly marked on the map.

In addition, our new Changing Places\* facility offers 24 hour access for people with physical disabilities. It includes a hoist and changing bench and is accessible using a radar key. (A radar key is available from the premises between 10am and 4pm).

For further information visit [www.changing-places.org](http://www.changing-places.org) or [www.radar.org.uk](http://www.radar.org.uk) (for purchase of radar key).
