

# SUTTON IN BLOOM

We're on the hunt for the green-fingered enthusiasts who help brighten up our borough.

If you have a beautifully planted, bright and cheerful front garden, community garden, business frontage, container garden, allotment garden or school garden, then show off your floral display and enter Sutton in Bloom by Saturday 15 June 2019.

The winners will be invited to an awards ceremony this July and the best entries may also be invited to represent Sutton at the prestigious London in Bloom competition.

For more details on what's required and how to enter visit [www.sutton.gov.uk/suttoninbloom](http://www.sutton.gov.uk/suttoninbloom)
