- WP2 PPA (Moreton Road area) – operating Mon-Fri, 8am-6.30pm
- A CPZ extension (Lingfield Road) – operating Mon-Sat, 8am-6.30pm

Loading restriction blips on existing double yellow line locations

The above PPA & CPZ proposals are to establish and maintain a fair system of parking prioritising local residents over non-residential / commuter parking during the times specified above. These schemes allow residents and their visitors to utilise these areas using the appropriate permits during the times of operation. Within the WP1 CPZ proposals pay & display bays have also been provided at certain locations to help facilitate the local attractors in the area.

At any time Waiting restrictions are proposed at all main junctions throughout the Geographical Area under consultation. Additional "at any time" waiting restrictions and time specific restrictions are proposed in locations where obstruction, congestion and access issues are apparent.

Limited time waiting bays are introduced near local shops to provide a fair system of parking prioritising local residents and non-residential / commuter parking during specific times.

Footway parking bays have been proposed in specific locations to help aid access.

Loading bays are proposed to facilitate local shops or industrial businesses providing a specific location to load / unload their goods.

Disabled parking bays have been proposed in locations such as Churches and local attractors to better facilitate blue badge holders.

A Solo Motorcycle bay has been proposed near a motorcycle training centre to better facilitate this business.

Properties eligible for vehicle permits and visitor permits are those specified in the schedule of eligibility indicated in the respective Traffic Management Order and the latest permit charges as displayed on the Council's website.
