Limited time waiting bays are introduced near local shops to provide a fair system of parking prioritising local residents and non-residential / commuter parking during specific times.

Footway parking bays have been proposed in specific locations to help aid access.

Loading bays are proposed to facilitate local shops or industrial businesses providing a specific location to load / unload their goods.

Disabled parking bays have been proposed in locations such as Churches and local attractors to better facilitate blue badge holders.

A Solo Motorcycle bay has been proposed near a motorcycle training centre to better facilitate this business.
