INFORMATION GUIDE FOLLOWING YOUR CHILD'S DIAGNOSIS

This list is not exhaustive but each service will be able to signpost you on to more specific groups/ intervention as required

WHERE DO I GO NEXT?

It can be confusing, a little overwhelming and even scary when your child first gets a diagnosis. Even if you suspected what the diagnosis might be, hearing a medical professional confirm it can be difficult to get your head round.

This leaflet is here to help guide you through local services and signpost you to community, voluntary and statutory services for your young child into the world of Special Education Needs & Disability (SEND)

PLAYWISE LEARNING CIC

PlayWise is a not-for-profit organisation that supports families with a young disabled child or children who are not meeting their developmental milestones. PlayWise offers interventions in the home to support a child's learning, play, language, sensory & self help including;

Portage & PIP

(Portage Intervention Plus)

We offer services in the community;

PlayWise Community Hub

Community Groups

Community Trips and Events

Workshops and Training

We also offer services to nurseries and schools to support inclusion;

www.playwise.org.uk/

info@playwise.org.uk
